12:30-1:30 EDT

Cities and Psychosis

Ian Gold

Professor of Philosophy and Psychiatry,
McGill University

Daniel Weinstock

Katharine A. Pearson Chair in Civil Society
and Public Policy, McGill University

Although we have known for more than 80 years that one is at greater risk of developing a psychotic illness like schizophrenia in a city, the reasons for this remain obscure. In this webinar, we will review the data on cities and psychosis and explore some of the explanations for the phenomenon.
