# Double Tragedy: Global GBV in Same-Sex Relationships

**Emmy Igonya,**

Medical Anthropologist (sexuality, sexual and gender diversity, sex work, drug use, HIV, infant and young child feeding), Post-Doctoral Research Scientist, APHRC

This talk will focus on gender-based violence (GBV) in same-sex relations in Kenya and globally. It will discuss how the criminalization and stigmatization of same-sex make GBV in same-sex relations a double tragedy that is seldom talked about.

IHSP Policy Talks are seminars led by researchers, policymakers, and practitioners concerning key challenges, evidence, and strategies for improving population health, well-being, and equity
