

COMMISSIONER OF OATH

On-Campus:

1) Legal Information Clinic - Commissioner of Oaths

Are you immigrating? Applying to graduate school? Need to make a sworn statement?

The Legal Information Clinic at McGill provides a free Commissioner of Oaths service to members of both the McGill and Montreal communities. There is always a Commissioner available during clinic hours.

In order to ensure that we are able to serve you, please bring:

- The copies you require (we do not do photocopies)
- A piece of valid government-issued photo identification (e.g. passport, driver's license, RAMQ card)

If you believe you need the services of a notary rather than a Commissioner of Oaths, you can call 1 (800) NOTAIRE.

Cost: Free
