INTERPROFESSIONAL EDUCATION ACTIVITY
Patient-Centred Care in Action: An Interprofessional Approach
Join us at the forefront of education for the health professions at McGill’s Steinberg Centre for Simulation and Interactive Learning

LOOKING FOR:
Facilitators for an interprofessional simulation session

The Office of Interprofessional Education, representing the schools in the Faculty of Medicine, invites you to participate as a facilitator to guide students in debriefing a simulated patient case activity.

Who: Facilitators from various health professions (Nurses, OTs, PTs, Physicians, S-LPs, Social Workers and all other health care professionals with experience in Interprofessional practice)

For What: Interprofessional Simulation Activity - A two hour activity for students in their second year of professional studies in Medicine, Nursing, Occupational Therapy, Physical Therapy and Speech-Language Pathology.

Dates: February 3, February 11, February 12, March 16 and March 23, 2020

Times: 12:30-17:00

Where: Steinberg Centre for Simulation and Interactive Learning, McGill University (Refreshments and free parking provided)

Accredited Faculty Development Workshop
Tuesday, January 21, 2020
5:00 – 8:00pm at the Sim Centre
Sponsored by Faculty Development

- Earn professional development credits
- Light dinner served
- Free parking provided
- An information package will be sent to facilitators prior to the workshop.

To sign up as a facilitator for the Activity and register for the Workshop please click here:
OR contact ipecourses.med@mcgill.ca, 514-398-3033
