

Initial Mentor/Mentee Meeting

The Integrated Program in Neuroscience, McGill University

Dear Student,

The IPN requires all new students to meet with their assigned mentor within the first three months of starting the program. You are encouraged to send an email directly to your mentor to set up a time to meet and make each other's acquaintance. At the end of the meeting, you and your mentor should sign below and return the form to the Student Affairs Coordinator in room 141 of the Montreal Neurological Institute. You may also email a scanned copy to ipn@mcgill.ca.

We (mentor and mentee) hereby sign indicating that we have had an initial meeting:

Mentor's Name (Please print)	Mentor's Signature	Date
