**Progress Report – TO BE COMPLETED AT 7 weeks IN TERM**

Research progress reporting for INTD 490, 491, 492 and 499 students at ISID is mandatory. This report must be completed in full at 7 weeks in the term. The form must be completed at a face-to-face meeting between the student and their supervisor.

In cases where the student has missed an established progress report deadline and has not responded to the Unit within 2 weeks after being contacted by the Unit, the report may be completed in the student's absence, and progress may be judged unsatisfactory.

The student, supervisor(s), and academic unit must retain copies of this form. It must also be made available to university administrators authorized to view student records.
