

PhD Comprehensive Exam: *Subfields and Bibliographies*

Student Name:

Student #:

Dissertation Topic:

Instructions:

1. Students must have their supervisor and examiners review the division and content of **ALL** the subfields for their comprehensive exam below. Examiners must indicate if they approve or disapprove them. In case of disapproval, please have the examiner explain briefly why on this form.
2. After all subfields have been approved, students must then have each examiner approve or disapprove their bibliographies on this form.
3. After approvals for the subfields and bibliographies have been received, submit this form to the Student Affairs Coordinator.

If you understand and agree with the determination of all subfields of your comprehensive exam as agreed upon by your advisor and the examiners (see below), please sign this form. If you do not agree you must convene with your advisor and the GPD to resolve any problems.
