

IT Services Virtual Scavenger Hunt Fall 2024

Show off your McGill IT Knowledge by taking the online Virtual Scavenger Hunt Quiz and you could win a pair of Beats headphones (*Beats Studio Pro Wireless Headphones in Sandstone*)! All the answers can be found in the IT Knowledge Base, IT Support site, and the McGill IT Services and cybersecurity websites.

This contest is open to **current McGill students only**. Eligible students will be entered into a draw to win a pair of Beats headphones. One prize is available.

How to enter

To enter, you must score **80% or better** on the [McGill IT Services Virtual Scavenger Hunt Contest- Fall 2024](#). You can keep taking the quiz until you score at least 80%!

You must be a **current McGill student to enter**. *Note: Students who are employed by McGill on the date of the draw are not eligible.*

Students' eligibility and quiz scores will be verified before their names are entered into the contest.

Deadline

McGill IT Services must receive all entries by September 30, 2024, at 5:00 PM EST.

Contest rules

The contest is open to current McGill students only who score 80% or better on the McGill IT Services Virtual Scavenger Hunt Quiz. You can keep taking the quiz until you score at least 80%!

Note: *The contest is not open to McGill faculty or staff. Students who are employed by McGill on the date of the draw are not eligible.*

Winner notification

IT Services will contact the winner by email during the week of October 7, 2024.

The winner must collect their prize at McGill IT Services, [680 Sherbrooke West](#), 16th floor.

If the winner cannot be contacted, is ineligible, or fails to claim the prize within 30 days of being notified, they will forfeit the prize. McGill IT Services will draw an alternate winner.

If given consent by the winner, McGill IT Services will publish their names on the McGill IT Services website and other platforms.
