

Données pédologiques du Québec (IRDA)
 data is divided into 1:20 000 map sheets.
 Please supply the map code (ie. 31H15-101)
 when ordering the data.

Data is available at the Walter Hitschfeld
 Geographic Information Centre. Data can
 ONLY be used by members of the McGill
 University Community, for teaching and
 research purposes.

Données pédologiques (soil surveys) for Southern Quebec
