Temporary Summer Employment Opportunity for
McGill Graduate Students
McGill Library, Digital Initiatives
GSPA-4

Digital Initiatives is looking for one part time temporary summer employees (20 hours/week) for a period of thirteen (13) weeks, to perform duties related to the following project:

User Study Data Analyst (20 hours per week/13 weeks). Project # GSPA-4.

A currently registered graduate student is needed to formalize the data analysis workflow using atlas.ti for interview notes from a previously-executed contextual inquiry study on faculty use of McGill’s library catalogue interfaces. Duties include:

- Document workflow.
- Create code lists.
- Train staff involved in the study on analysis procedure.
- Perform first pass of coding of interview notes.

Requirements:
- Currently registered McGill Graduate Student (Masters or PHD)
- Working knowledge and experience with atlas.ti.
- Work experience in an academic library an asset.
- English, excellent spoken and written skills required.

Hourly rate: $15.00 per hour

Start and end date: May 22, 2017 through August 31, 2017 (13 weeks)

Classification: B

Please send your resume and accompanied by a letter of interest to student-employment.library@mcgill.ca by May 17, 2017, quoting project number GSPA-4. McGill University is committed to equity in employment and diversity. It welcomes applications from indigenous peoples, visible minorities, ethnic minorities, persons with disabilities, women, persons of minority sexual orientations and gender identities and others who may contribute to further diversification.
