

# BioConnect Montréal

## From Bench to Bedside

McGill New Residence Hall

Friday, November 18, 2016 09:30 - 19:00

We are pleased to bring you the sixth annual BioConnect Conference themed "From Bench To Bedside". BioConnect 2016 will focus on bringing speakers and guests from scientific, business, and policy backgrounds to discuss how advances and contributions from their respective fields will help in the development and commercialization of groundbreaking biotechnology.
