Featured Event

This unique presentation will explore the theme of Andrew “The Night Sky Guy” Fazekas’ book, Star Trek The Official Guide to Our Universe: The True Science Behind the Starship Voyages, in a discussion with three prominent McGill professors with research based in space: Vicky Kaspi, Lyle Whyte and Anja Geitmann. Moderated by CBC Radio Noon host Shawn Apel, this presentation will be a lively conversation around space, science and pop culture. Admission Free. Registration required.
