The MAUT Scholarship was established by the McGill Association of University Teachers in memory of the fourteen women murdered at the École Polytechnique in December 1989 simply because they were women.

This scholarship is intended to encourage women to enter the Faculty of Engineering. It is awarded each year by the Faculty of Engineering Scholarships Committee to an undergraduate woman on the basis of academic merit. This year it was awarded to Scotia Mabury, who wrote a [wonderful letter of thanks](#) to MAUT. Congratulations, Scotia!
