

*Academic event offered at no charge by the MAUT Retiree Affairs Committee*

2022-2023 Presentation Series

**Care-Giving from the Perspective of a Childhood Trauma  
Researcher and Psychologist**

[Rachel Langevin](#), Department of Education and Counselling Psychology, McGill University

**Tuesday, February 14, 2023 | 1:00 pm**

This event will be hosted on Zoom.

Rachel Langevin, Assistant Professor in the Department of Educational and Counselling Psychology at McGill, is a clinical psychologist specialized in trauma working with adults and a childhood trauma researcher. Her main research interests are in family dynamics and understanding mechanisms involved in the intergenerational continuity of trauma and violence.

**RSVP by Feb. 13th to receive the Zoom link**
