## APPOINTMENTS

---

### Current

- 2019-present Core faculty member, McGill Max Bell School of Public Policy
- 2018-present Associate Member, Division of Experimental Medicine, McGill University
- 2015-present Member, Research Group on Health and Law, McGill University Faculty of Law
- 2014-present Associate Member, Institute for Health and Social Policy, McGill University
- 2009-present Associate Member, Department of Epidemiology, Biostatistics and Occupational Health, McGill University Faculty of Medicine
- 2008-present Associate Professor, Biomedical Ethics Unit, Department of Social Studies of Medicine, McGill University Faculty of Medicine

### Previous

- 2017-2021 Director, McGill Policy & Data Science Program
- 2005-2008 Assistant Professor, Departments of Bioethics and History, Case Western Reserve University School of Medicine

## EDUCATION

---

- 2001 Harvard University, Ph.D. in History of Science
- 2001 Harvard University, Masters in Medical Anthropology
- 1991 University of Pennsylvania, B.A. in History

## RESEARCH

---

### Research Areas

Public health policy and ethics; health inequalities; infectious disease and biodefense; social determinants of health; decision-making in population health and health policy

### Research Teams

- 2011-2017 Co-Director, Montreal Health Equity Research Consortium (MHERC)
- 2010-2016 Director, Measurement, Ethics, and Decision-Making Collaborative

## Research Grants

- 2020-24 **Co-Investigator** (CA\$318,186). FRQSC Soutien aux équipes de recherche. *Le droit comme partenaire dans la protection de la santé à l'ère des innovations technologiques, politiques et juridiques.*
- 2020-22 **Principal Investigator** (CA\$250,000). New Frontiers in Research Fund. "Automating Scientific Transparency: Using Machine Learning to Build a Comprehensive Database of Disclosure Information."
- 2020-22 **Co-Investigator** (CA\$500,000). Canadian Institutes of Health Research. "Using Online News Media to Assess Community and Public Health Responses to COVID-19."
- 2020-22 **Co-Investigator** (CA\$525,000). Canadian Institutes of Health Research. "Artificial Intelligence for Public Health (AI4PH): A Focus on Equity and Prevention."
- 2020-22 **Co-Investigator** (GBP604,318.87). Canada-UK Artificial Intelligence (AI) Initiative "EPI-AI: Automated Understanding and Alerting of Disease Outbreaks from Global News Media"
- 2020-2022 **Co-Investigator** (CA\$20,000). Canadian Institutes of Health Research. "Establishing a Relationship Between Philosophy and Epidemiological Research and Practice: Modelling Ethical Standards of Health Equity (MESHE)."
- 2017-18 **Principal Investigator** (CA\$45,000). Steinberg Fund for Interdisciplinary Global Health Research. "International Health Regulations Compliance in India: The Politics of Global Health Security."
- 2014-2016 **Principal Investigator** (CA\$100,000). Canadian Institutes of Health Research. "Transparent Science: using computational tools to assess conflicts of interest and their consequences in biomedical publications."
- 2012-2014 **Co-Investigator** (CA\$88,022). Canadian Institutes of Health Research. "Measuring Global Health." (PI: Kristin Voigt).
- 2011-2016 **Principal Investigator** (CA\$1.74 million). Canadian Institutes of Health Research, "Ethics, Social Determinants of Health, and Health Equity: Integrating Theory and Practice."
- 2010-2013 **Principal Investigator** (CA\$190,434). Canadian Institutes of Health Research, "Measurement, Ethics, and Health Policy: Investigating the Role of Value Judgments in the Measurement and Evaluation of Health Inequalities."
- 2010-2013 **Co-Investigator** (CA\$109,302) Canadian Institutes of Health Research, "Justifying Translational Clinical Trials." (PI: Jonathan Kimmelman).
- 2009-2011 **Collaborator** (US\$15.572 million). National Institutes of Health Models of Infectious Disease Agents Study (MIDAS) grant, "Center for Communicable Disease Dynamics." (PI: Marc Lipsitch).
- 2008-2011 **Consultant**. (US\$402,162). National Human Genome Institute, "Patient Perceptions of Bioengineered Probiotics and Clinical Metagenomics." (PI: Richard Sharp, Ruth Farrell)
- 2003 **Principal Investigator** (US\$2,000). Research fellowship on visual media and public health. National Library of Medicine, History of Medicine Division.
- 2003 **Principal Investigator** (US\$15,000). University of California Humanities Research Institute conference grant for "Exchange Networks in Modern Biomedical Science."

- 2002 **Principal Investigator** (US\$4,000). University of California Humanities Research Institute conference grant for “Bioterrorism Preparedness: Contexts and Consequences.”

### Personal Support Awards

- 2003-2005 Robert Wood Johnson Foundation Health and Society Scholars Postdoctoral Fellow, Department of Epidemiology, University of Michigan School of Public Health
- 2001-2003 J. Elliot Royer Post-Doctoral Fellow, Department of Anthropology, History, and Social Medicine, University of California, San Francisco
- 2003 DeWitt Stetten, Jr. Memorial Fellowship in the History of Biomedical Sciences and Technology, National Institutes of Health (Declined)
- 2003 American Academy of Arts and Sciences Visiting Scholars Program (Declined)
- 2000-2001 Fellow in the History of Medicine and Medical Ethics, Division of Medical Ethics, Harvard School of Medicine
- 1999-2000 Whiting Dissertation Completion Fellowship, Harvard University
- 1999 Graduate Society Conference Travel Grant, Harvard University
- 1998-1999 Graduate Society Term-Time Research Fellowship, Harvard University
- 1996 Graduate Society Summer Fellowship, Harvard University
- 1995-1998 National Science Foundation Graduate Fellowship, Harvard University
- 1995 Jacob Javits Graduate Fellowship, Harvard University (Declined)
- 1994-1995 Strominger Prize for doctoral candidate in history of medicine, Harvard University

### Publications – Peer Reviewed

- Under revision Trudeau C, **King NB**, Guastavino C. “Investigating sonic injustice: a review of published research.” *Social Science & Medicine*.
- 2022 Okhmatovskaia A, Buckeridge DL, Shen Y, Ganser I, **King NB**, Collier N, Meng Z. “A conceptual framework for representing events under public health surveillance.” *Studies in Health Technology and Informatics* 294.
- 2022 Meng Z, Okhmatovskaia A, Polleri M, Powell G, Shen Y, Fu Z, Ganser I, **King NB**, Buckeridge D, Collier N. “BioCaster in 2021: Detecting Disease Outbreaks from Global News Media.” *Bioinformatics* 38(18).
- 2021 Dimitris M, Gittings M, **King NB**. “How Global is Global Health Research? A Large-Scale Analysis of Trends in Authorship” *BMJ Global Health* 6(1).
- 2021 Harper SB, Riddell C, **King NB**. “Declining Life Expectancy in the United States: Missing the Trees for the Forest.” *Ann Rev Pub Hlth* 42(1).
- 2020 **King NB**. “Harm Reduction: A Misnomer.” *Health Care Analysis* 28.
- 2020 Cooper JE, Benmarhnia T, Koski A, **King NB**. “Cash transfer programs have differential effects on health: A review of the literature from low and middle-income countries.” *Social Science & Medicine*.
- 2020 **King NB**, Koski A. “Defining global health as public health somewhere else.” *BMJ Global Health*. <http://dx.doi.org/10.1136/bmjgh-2019-002172>
- 2018 Drouin O, Young M, **King NB**. “Message framing and counseling of parents on children’s physical activity – An experimental study.” *Health Psychology and Behavioral Medicine* 6(1).
- 2018 Carabali M, Austin N, **King NB**, Kaufman J. “The zika epidemic and abortion in Latin America: a scoping review.” *Global Health Research and Policy* 3(15).

- 2018 **King NB**, Harper SB, Young M, Berry SC, and Voigt K. “The Impact of Social and Psychological Consequences of Disease on Judgments of Disease Severity: An Experimental Study.” *PLOS ONE* 13(4).
- 2017 Huang J, **King NB**. “Epigenetics Changes Nothing: What a New Scientific Field Does and Does Not Mean for Social Justice.” *Public Health Ethics* 11(1): 69–81.
- 2017 Voigt K, **King NB**. “Out of alignment? Limitations of the Global Burden of Disease in assessing the allocation of global health aid.” *Public Health Ethics* 10(3): 244–256.
- 2017 Benmarhnia T, Alexander S, Price K, Smargiassi S, **King NB**, Kaufman J. “The heterogeneity of vulnerability in public health: a heat wave action plan as a case study.” *Critical Public Health*. <http://dx.doi.org/10.1080/09581596.2017.1322176>
- 2016 **King NB**, Harper SB, Strumpf E. “Has the Increase in Disability Insurance Participation Contributed to Increased Opioid-Related Mortality?” *Annals of Internal Medicine*. 165(10): 729-730.
- 2016 Benmarhnia T, Auger N, Kaiser D, Bailey Z, **King NB**, Kaufman J. “A difference-in-differences approach to assess the effect of a heat action plan on heat-related mortality and equity in Montreal, Quebec.” *Environmental Health Perspectives* 24(11):1694-1699. Awarded honorable Mention as one of the Best Environmental Epidemiology Papers published in 2016 by the International Society for Environmental Epidemiology.
- 2016 Campbell J, **King NB**. “‘Unsettling Circularity’: Clinical Trial Enrichment and the Evidentiary Politics of Chronic Pain.” *Biosocieties* 12(2): 191–216
- 2015 Richardson R, Charters T, **King NB**, and Harper SB. “Trends in educational inequalities in drug poisoning mortality in the United States, 1994-2010.” *American Journal of Public Health*. 105 (9): 1859-1865.
- 2014 **King NB**, Fraser V, Boikos C, Richardson R, Harper SB. “Determinants of Increased Opioid-Related Mortality in the United States and Canada, 1990-2013: A Systematic Review.” *American Journal of Public Health* 104(8).
- 2014 Harper SB, **King NB**, et al. “Juicios de valor implícitos en la medición de las desigualdades en salud.” *Revista Panamericana Salud Publica* 35(4): 293-304. [Translation of 2010 *Milbank Quarterly* article].
- 2014 Voigt K, **King NB**. “Disability Weights in the Global Burden of Disease 2010: Two Steps Forward, One Step Back?” *Bulletin of the World Health Organization* 92: 226-228.
- 2014 **King NB** “Contagion: A Misnomer for Financial Crisis.” *Journal of Public Health* 36(1):18-19.
- 2013 Harper SB, **King NB**, Young M. “Impact of Selective Evidence Presentation of Health Inequality Trends: An Experimental Study.” *PLOS ONE* 8(5): e63332.
- 2013 **King NB**, Fraser V. “Untreated Pain, Narcotics Regulation, and Global Health Ideologies.” *PLOS Medicine*. 10(4): e1001411. doi:10.1371/journal.pmed.1001411 [PLOS Medicine Weekly Editor’s Pick]
- 2013 Young M E., **King NB**, Harper SB, Humphreys KR. “The influence of popular media on perceptions of personal and population risk in possible disease outbreaks.” *Health, Risk, and Society* 15(1): 103-14.
- 2013 **King NB**, Harper SB, Meredith E. Young. “Who Cares About Health Inequalities? Cross-country Evidence from the World Health Survey” *Health Policy and Planning* 28(5): 558-571.

- 2012 **King NB**, Harper SB, Young M. “Use of relative and absolute effect measures in reporting health inequalities: structured review.” *BMJ* 345:e5774.
- 2012 Huttenhower C, Gevers D, et al. (+multiple authors including **King NB**). “Structure, Function and Diversity of the Human Microbiome in an Adult Reference Population.” *Nature* 486 (14 June): 207–214
- 2012 Methé BA, Nelson KE, et al. (+multiple authors including **King NB**). “A Framework for Human Microbiome Research.” *Nature* 486 (14 June): 215–221.
- 2012 **King NB** “Invited Commentary: Biodefense and the Production of Knowledge: Rethinking the Problem.” *Journal of Medical Ethics*. doi:10.1136/medethics-2012-100545
- 2012 **King NB** “Case Discussion: Health Inequities in First Nations Communities and Canada’s Response to the H1N1 Influenza Pandemic.” Canadian Institutes of Health Research - Institute of Population and Public Health. *Population and Public Health Ethics: Cases from Research, Policy, and Practice*. University of Toronto Joint Centre for Bioethics: Toronto, ON.
- 2010 Harper SB, **King NB**, et al. “Implicit Value Judgments in the Measurement of Health Inequalities.” *Milbank Memorial Fund Quarterly* 88(1): 4-29. NOTE: Harper and King share equal status as primary co-authors.
- 2008 Ornt DB, Aron DC, **King NB**, et al. “Population Medicine in a Curricular Revision at Case Western Reserve.” *Academic Medicine* 83(4): 327-331.
- 2006 Aiello S, **King NB**, Foxman B. “Antimicrobials and the Ethics of Drug Development.” *American Journal of Public Health* Vol. 96, No. 11: 1910-1914.
- 2006 Berg, JW, **King NB**. “Strange Bedfellows? Reflections on Bioethics' Role in Disaster Response Planning.” *American Journal of Bioethics* 6: 3-5.
- 2005 **King NB** “The Ethics of Biodefense.” *Bioethics* 19(4): 432-446.
- 2004 **King NB** “The Scale Politics of Emerging Diseases.” *Osiris* 19: 62-76.
- 2003 **King NB** “The Influence of Anxiety: September 11<sup>th</sup>, Bioterrorism, and American Public Health” *Journal of the History of Medicine and the Allied Sciences* 58(4): 433-441.
- 2002 **King NB** “Security, Disease, Commerce: Ideologies of Post-Colonial Global Health.” *Social Studies of Science* 32(5/6): 763-789.
- 2002 **King NB** “Dangerous Fragments” *Grey Room* 7 (Spring): 72-81.

### Publications – Book Chapters

- 2021 **King NB**. “Science and Public Policy in a Post-Pandemic World.” In Jean-Louis Denis, Catherine Régis & Daniel Weinstock, *Pandemic Societies* (Montreal: McGill-Queen’s University Press).
- 2021 Benyekhlef K, Amicelle A, **King NB**, Tanner S. “Technologies de l’information.” In Frédéric Mérand and Jennifer Welsh, *The World After*.
- 2020 Piper A, Kraicer E, **King NB**, et al. “Evidence.” In Andrew Piper, *Can we be Wrong? The Problem of Textual Evidence in a Time of Data* (New York: Cambridge Univ Press).
- 2020 **King NB**. “Technological Fixes and Antimicrobial Resistance.” In Zeb Jamrozik & Michael Selgelid, Ed. *Ethics and Antimicrobial Resistance: Collective Responsibility for Global Public Health*.
- 2017 **King NB** “Equality and Inequality in American Health Care (Revised).” In Eileen E. Morrison, Ed., *Health Care Ethics: Critical Issues for the 21st Century* (Sudbury, MA.: Jones & Bartlett): 339-354.

- 2016 **King NB** “Justice, Evidence, and Interdisciplinary Health Inequalities Research.” *Understanding Health Inequalities and Justice: Bridging Perspectives for New Conversations*. Ed. Mara Buchbinder. University of North Carolina Press.
- 2015 **King NB** “Mediating Panic: The Iconography of New Infectious Threats, 1936-2009.” In Robert Peckham, ed. *Empires of Panic: Epidemics and Colonial Anxieties*. (Hong Kong: Hong Kong University Press).
- 2012 **King NB** “Equality and Inequality in American Health Care (Revised).” In Eileen E. Morrison, Ed., *Health Care Ethics: Critical Issues for the 21st Century* (Sudbury, MA.: Jones & Bartlett): 339-354.
- 2011 **King NB** Introduction to reprint of “The Influence of Anxiety: September 11, Bioterrorism, and American Public Health.” In John Charles Goshert, Ed. *Entering the Academic Conversation* (Glenview, IL: Pearson): 369-79.
- 2009 **King NB** “Equality and Inequality in American Health Care” in Eileen E. Morrison, Ed., *Health Care Ethics: Critical Issues for the 21st Century* (Sudbury, MA.: Jones & Bartlett): 339-354.
- 2008 **King NB** “Networks, Disease, and the Utopian Impulse.” In S. Harris Ali & Roger Keil, Ed., *Networked Disease: Emerging Infections in the Global City* (Malden, MA: Wiley-Blackwell): 201-213.
- 2006 **King NB** “The Ethics of Biodefense” In Michael J. Selgelid, et al., eds. *Ethics and Infectious Disease* (Malden, MA: Blackwell).
- 2003 **King NB** “Immigration, Race, and Geographies of Difference in the Tuberculosis Pandemic,” in Matthew Gandy & Alimuddin Zumla, Eds, *Return of the White Plague: Global Poverty and the New Tuberculosis* (London: Verso Press).
- 1988 Mako, F., J. Golden, D. Dialetis, L. Floyd, N. King, C.A. Kapetanakos. “Beam ‘Self-Trapping’ in the NRL Modified Betatron Accelerator.” In Anthony Hyder, et al., Eds., *High-Brightness Accelerators* (New York: Plenum Press).

#### Publications – Technical Reports

- 2009 **King NB** and Harper SB. “Scan of Scenario Building in Population Health With a Focus on Social Determinants Of Health.” *Report prepared for the Public Health Agency of Canada*.

#### Publications – Other (Reviews, Letters, Commentaries)

- 2020 King, NB. “Catastrophe Theory in Slow Motion.” *Biosocieties* 15(3).
- 2020 King, NB. “The politics of evidence and uncertainty in the COVID-19 pandemic.” *Policy for Pandemics*.
- 2015 **King NB** “Ebola 1995/2014.” *Limn* 5 (<http://limn.it/ebola-19952014/>).
- 2013 Harper SB, **King NB**, “Invited Commentary: Best Practice for What?” *The Milbank Quarterly* 91(1): 205-209.
- 2012 **King NB**, Kaufman J. “More Author Disclosure: Solution or Absolution?” *Epidemiology* Nov; 23(6): 777-9.
- 2012 Harper SB, Kaufman JS, and **King NB**. “Increased risk of coronary heart disease in female smokers.” *The Lancet* 379(9818): 801-2.
- 2011 Kaufman JS, **King NB**, and Harper SB. “A More Complete Picture of Higher Cardiovascular Disease Prevalence Among Blacks Compared to Whites.” *The American Journal of Medicine* 124(5): e5-e6.
- 2011 **King NB**, Harper SB, et al. “We’ll Take the Red Pill: A Reply to Asada” *Milbank Memorial Fund Quarterly* 88(4): 623-637.

- 2010 **King NB**, Kaufman JS, and Harper SB. “Relative Measures Alone Tell Only Part of the Story.” *American Journal of Public Health* 100(11): 2014-2015.
- 2009 **King NB** “Book Review – Searching Eyes: Privacy, the State, and Disease Surveillance in America.” *Isis* 100: 417-419.
- 2008 **King NB** “Book Review – Bioviolence: Preventing Biological Terror and Crime.” *American Journal of Bioethics* 8(2): 53.
- 2005 **King NB** “Emerging Diseases” and “Biological Terrorism” in Sal Restivo, Ed., *The Oxford Encyclopedia of Science, Technology, and Society* (New York: Oxford University Press).

## PRESENTATIONS

### Invited Presentations

- June 2020 Invited Presentation. “Weaponizing Uncertainty During the COVID-19 Pandemic” Institute for Health & Social Policy. McGill Univ. Montreal, QC.
- June 2020 Invited Presentation. “Weaponizing Uncertainty During the COVID-19 Pandemic” Center for Global Health & Center for Health, Humanism and Society. Ben-Gurion University of the Negev. Health Disparities Amid the COVID-19 Pandemic
- April 2020 Invited Presentation, with Zinzi Bailey. “Health Disparities Amid the COVID-19 Pandemic.” Max Bell School of Public Policy. McGill Univ. Montreal, QC
- April 2020 Invited Presentation. “Evidence and Uncertainty During the COVID-19 Pandemic.” Max Bell School of Public Policy. McGill Univ. Montreal, QC.
- November 2019 Invited Presentation. “Engagement and Conflict of Interest in Biomedical Research.” Bioethics Works in Progress. McGill University, Montreal QC.
- October 2019 Invited Presentation. “Pandemic Preparedness and Moral Economies of Global Health.” Johns Hopkins University. Baltimore, MD.
- November 2018 Invited Presentation. “‘Just Give Cash’ or Is Money Alone the Best Option for Improving Health Justice?” McGill Dept. of Epidemiology. Montreal, QC.
- October 2018 Invited Grand Rounds. “The ‘Crisis’ in Health Research.” McGill University Hospital Center Medical Grand Rounds. Montreal, QC.
- September 2018 Invited Presentation. “Opioid Narratives.” McGill Research Group on Health and Law. Montreal, QC.
- September 2018 Invited Presentation. “Harm Reduction is Neither.” MANCEPT Workshops in Political Theory, the political philosophy of harm reduction. Manchester, UK.
- April 2017 Invited Lecture. “Public Health in the ‘Post-Truth’ Era.” Bowdoin College.
- January 2017 Invited Presentation. “Quantifying Scientific Engagement: Why it Matters for Health Research, Ethics, and (Maybe) Law.” McGill Research Group on Health and Law. Montreal, QC.
- June 2016 Invited Presentation. “Health inequalities among children: what should we measure, and why?” International Network for Research on Inequalities in Child Health. Barcelona, Spain.
- May 2016 Invited Plenary. “Do we care about health inequalities?” Robert Wood Johnson Health & Society Scholars Annual Meeting. New Orleans, LA.
- November 2015 Invited Presentation. “When - if ever - is health value-added to justice claims?” Bioethics at UNC Faculty Seminar. University of North Carolina at Chapel Hill.

- November 2015 Invited Plenary. "Reflections on the Future of Global Health." 22<sup>nd</sup> Annual Canadian Conference on Global Health. Montreal, QC.
- October 2015 Invited Presentation. "Just Give Cash' or Is Money Alone the Best Option for Improving Health Justice?" Department of Social Medicine Forum, University of North Carolina at Chapel Hill.
- April 2015 Invited Presentation. "It Takes Guts to Think About Health Equity." 'Health Equity: What People Think' workshop, Montreal, QC.
- March 2015 Invited panelist. "Identity & Medical Funding." Student Undergraduate Science Society, McGill University.
- August 2014 Invited panelist. "Addressing Health Disparities in Minority Populations." Association for Education in Journalism and Mass Communication Annual Meeting. Montreal, QC.
- May 2014 Invited lecture. "Global Health Funding: Challenges and Opportunities." 'Global is Local' conference, McGill University.
- April 2014 Invited participant. "Roundtable on the Social Determinants of Health with the Official Opposition Health Critic." Lachine, QC.
- March 2014 Invited lecture. "Should (We Care Whether) Pharmaceutical Companies Fund Our Research?" EBOSS Roundtable, McGill University.
- January 2014 Invited lecture. "Is Health Justice Impossible? Evidence, Uncertainty, and Public Policy." University of Ottawa.
- November 2013 Invited lecture. "What is a Conflict of Interest?" McGill University.
- October 2013 Invited lecture. "Just the Facts Ma'am? On the Role of Evidence in Interdisciplinary Health Inequalities Research." University of North Carolina.
- October 2013 Invited lecture. "The Context-Dependence of Value Judgments About Health Inequalities." Dalhousie University.
- April 2013 Invited lecture. "Two Decades of Increasing Opioid-Related Mortality: Causes, Controversies, and Ethics." Lady Davis Institute for Medical Research, Division of Clinical Epidemiology, Jewish General Hospital. Montreal, QC.
- April 2013 Invited lecture. "The (F)utility of the Social." McGill University.
- March 2013 Invited lecture. "At the Frontiers of Public Health Ethics: Using Mixed Methods to Study Decision-Making, Health Inequalities, and Public Health Policy." Berman Institute for Bioethics, Johns Hopkins University School of Public Health. Baltimore, MD.
- December 2012 Invited lecture. "The Iconography of New Infectious Threats, 1936-2009." Centre for the Humanities and Medicine & Department of History, University of Hong Kong. Hong Kong, PRC.
- October 2012 Guest Lecture. "Causality in Medicine and Public Health." CMPL 522, McGill University Faculty of Law.
- July 2012 Invited lecture. "Bias in Health Inequalities Reporting: Systematic and Experimental Approaches." Analytical Sociology and Institutional Design Group (GSADI), Universitat Autònoma De Barcelona, Barcelona, Spain.
- April 2012 Invited Lecture. "Equity, Efficiency, and Measurement: What (if Anything) Can We Learn from Empirical Investigations?" Justice & Health Workshop. Montreal, QC.
- April 2012 Invited Poster Lecture. "Bias in Health Inequalities Reporting: A Multidisciplinary Study." Robert Wood Johnson Foundation Annual Meeting. Princeton, NJ.

- October 2011 Invited Lecture. "Justice, by the Numbers: Health Inequality Measures, and Why they Matter." Dartmouth Hitchcock Medical Center. Hanover, NH.
- June, 2011 Invited Lecture. "Public Health Ethics Frameworks: An Introduction." Canadian Public Health Association Annual Meeting Workshop, "From Theory to Practice: Working Towards Common Principles and Frameworks for Population and Public Health Ethics." Montreal, QC.
- April 2011 Invited Lecture. "Ethics and the Social Determinants of Health: Four Fallacies." McGill University. Montreal, QC.
- March 2011 Invited Lecture. "Challenges to Integrating Ethics into Public Health Practice." National Collaborating Centre for Healthy Public Policy. Montreal, QC.
- March 2011 Invited Lecture. "Implicit Value Judgments in the Measurement of Health Inequalities." Department of Epidemiology, McGill University.
- September 2010 Invited Commentary. "Shlomi Segall's Health, Luck, and Justice." Department of Philosophy, McGill University.
- May 2010 Invited Lecture. "Justice, By the Numbers - or, Can Ethicists Do Policy Without Math?" Centre de Recherche En Éthique de l'Université de Montréal.
- April 2010 Invited Lecture. "Health Justice, By the Numbers." Health Care, Technology, and Place Annual Workshop, University of Toronto.
- October 2009 Invited Lecture. "Ethics and the H1N1 Pandemic." Department of Epidemiology, Biostatistics, and Occupational Health, McGill University.
- October 2009 Guest Lecture. "Race, Health, and Genetics." Biology 436, McGill University.
- October 2009 Guest Lecture. "Ethics in Epidemiology and Public Health." Epidemiology & Biostatistics 602, McGill University.
- September 2009 Guest Lecture. "Gender and Health Inequalities." Sociology 390, McGill University.
- August 2009 Invited Participant. "H1N1 Pandemic Planning." The Fritz Institute, San Francisco.
- May 2009 Invited Lecture. "Scenario Building and Population Health." Strategic Initiatives and Innovations Directorate, Public Health Agency of Canada workshop on Scenario-Building and Public Health.
- January 2009 Invited Lecture. "Ethical Issues Medical Students Face." Osler Fellows Training.
- November 2008 Keynote Lecture. "Social Justice and the HIV/AIDS Epidemic." Michigan Department of Community Health STD & HIV Conference, Ypsilanti, MI.
- June 2008 Invited Lecture. "Occupational Lung Disease: Ethical Considerations." Doctor Dorothy Wiselberg Seminar, Division of Respiratory Medicine, McGill University Health Center.
- April 2008 Invited Lecture. "What's Wrong with Health Inequalities?" Hixon Hour Lecture, University of Kansas Medical Center.
- March 2008 Invited Grand Rounds. "Hepatitis B and the Infected Healthcare Worker: Public Safety at Any Cost?" McGill University Health Center Grand Rounds, Montreal General Hospital.
- March 2008 Guest Lecture. "The Ethics of Biosecurity." Biotechnology 502, McGill University.
- January 2008 Guest Lecture. "Gender and Health Inequalities." Sociology 390, McGill University.
- September 2007 Invited Lecture. "What's Wrong with Health Inequalities?" Rock Ethics Institute, Pennsylvania State University.

- October 2006 Invited Lecture. "The Soft Cage of Biosecurity? Biological Weapons and the Surveillance Convergence, 1926-2005." Department of History, Case Western Reserve University.
- April 2006 Invited Lecture. "The Soft Cage of Biosecurity?" School of International & Public Affairs. Columbia University.
- March 2006 Invited Lecture. "The Soft Cage of Biosecurity? Biological Weapons and the Surveillance Convergence, 1926-2005" Department of Sociology, Case Western Reserve University.
- April 2005 Invited Lecture. "The Ethics of Biodefense." Stanford University.
- February 2005 Invited Lecture. "The Ethics of Biodefense." Case Western Reserve University.
- April 2004 Invited Lecture. "The Iconography of New Infectious Threats." Department of Communications, University of Michigan.
- March 2004 Invited Lecture. "The Iconography of New Infectious Threats: Disease in Public Health Films, 1936-2003." University of British Columbia.
- February 2004 Invited Lecture. "Biodefense: History, Politics, Ethics" Rice University.
- February 2004 "Among the Epidemiologists." Rice University Dept. of Anthropology.
- February 2004 Invited Speaker. "Questions of Evidence." Studying-up / Multi-sited Ethnography Workshop. University of California, Berkeley.
- October 2003 Invited Lecture. "The Iconography of New Infectious Threats." National Library of Medicine symposium on "Visual Culture and Public Health."
- April 2003 Invited Lecture. "Bioterrorism and the Politics of Fear." Rensselaer Polytechnic Institute.
- October 2002 Invited Lecture. "Information is Good (and Bad) for Your Health: Utopias of Surveillance in Modern American Public Health." History and Philosophy of Science Program, Stanford University.
- April 2002 Invited Lecture. "Bioterrorism's Threat: Public Health vs. Civil Liberties." Harvard Medical School.
- December 2001 Invited Lecture. "Ebola, Emerging Diseases, and Biological Terrorism: Infectious Disease in Global Networks." Department of Anthropology, History and Social Medicine, University of California, San Francisco.

### Conference Presentations

- May 2020 Smith, Brendan, King NB, et al. "Similar intentions, disparate affects: Modelling ethical criteria of health equity to inform diabetes interventions using the Diabetes Population Risk Tool." Canadian Association for Health Services and Policy Research, Saskatoon SK.
- May 2016 Drouin, Olivier, Young M, King NB. "How Counseling Messages Are Framed to Parents and its Influence on the Reported Physical Activity of Their Children." Pediatric Academic Societies 2016 Meeting, Baltimore, MD.
- June 2014 "Trends and demographic patterns in non-medical use of prescription opioids, 2002-2010." Society for Epidemiologic Research Annual Meeting.
- May 2014 "Health Inequalities: From Measurement to Policy." Quebec Inter-University Center for Social Statistics International Conference: 'Social policy and health inequalities: An international perspective.'
- October 2012 "Use of relative and absolute effect measures in reporting health inequalities: structured review." ACT now: Accuracy, Completeness and Transparency in Health Research Reporting Meeting.

- May 1999 “Chronicle of a Disaster Foretold: Emerging Diseases and the Political Economy of Novelty.” American Association for the History of Medicine Annual Meeting.
- November 1997 “Emerging Diseases and the Political Economy of Novelty.” Center for Literary and Cultural Studies, Harvard University.

### Other Conference Activities

- Apr 2018 Conference co-organizer. “Legalizing Marijuana in Canada: Policy Challenges.” Montreal, QC.
- Mar 2018 Symposium organizer. “Science and Skepticism: Critiquing Bad Research In An Anti-Science Era.” Montreal, QC.
- March 2017 Organizer, McGill Center for Social and Cultural Data Science Research Slam.
- May 2016 Workshop organizer and presenter. “Epidemiology, Causation, and Public Policy.” Montreal, QC.
- April 2015 Workshop organizer and presenter. “Health Equity: What People Think.” Montreal, QC.
- May 2014 Workshop organizer and participant. “Evidence to Policy.” Montreal, QC.
- April 2011 Debate organizer and moderator. “Is There an Ethical Imperative to Address the Social Determinants of Health?” McGill University, Montreal QC.
- June 2010 Invited Participant. “Surveillance for Decision Making in Emerging Diseases: Lessons from the 2009 H1N1 Influenza Pandemic.” Harvard School of Public Health.
- April 2009 Invited Discussant. Anthropologies of Addiction Workshop. McGill University.
- June 2008 Invited Panelist. “The Human Microbiome Project: Microbes, Medicine and Identity.” Bioethics Summer Meeting.
- November 2007 Conference Organizer and Chair. “The Ethical, Legal, and Social Implications of Metagenomics and the Human Microbiome Project.” Case Western University.
- February 2007 Invited Participant. Expert meeting on Bioethics and Biodefense. Johns Hopkins School of Advanced International Studies.
- October 2006 Invited Lecture. “Is Health a Useful Proxy for Social Justice?” Against Health Conference, University of Michigan.
- October 2005 Panel Organizer. “Biosecurity: Surveillance, Risk, and the 'War on Terror'.” Society for the Social Studies of Science Annual Meeting.
- February 2006 Invited Panelist. Epidemics in the Making: Politics and the Production of Infectious Disease conference. University of Minnesota.
- December 2004 Panel Organizer. “Biodefense: Critical Perspectives.” Reframing Infectious Disease conference. University of Michigan.

- December 2004 Invited Panelist. “Infection and Contagion: Reflections from the Humanities.” Reframing Infectious Disease conference. University of Michigan.
- May 2004 Invited Participant. Social Science Research Council Working Group on Integrative Doctoral Programs in the Health and Social Sciences.
- April 2003 Conference Organizer. “Exchange Networks in Modern Biomedical Science.” University of California, San Francisco.
- November 2002 Panel Organizer (with Kim Fortun). “Information Technology, Culture, and Health.” Society for the Social Studies of Science Annual Meeting.
- November 2002 Invited Speaker. AAA Public Policy Forum: Bioterrorism, Epidemics, and the Future of Public Health. American Anthropological Association Annual Meeting.
- November 2002 Invited Commenter. “Biological Threats” panel. History of Science Society Annual Meeting.
- May 2002 Symposium Organizer. “Bioterrorism Preparedness: Contexts and Consequences.” University of California, San Francisco.
- May 2002 Invited Panelist. “Reflections on September 11th: A Panel Discussion on its Implications for Historians of Medicine and Public Health” American Association for the History of Medicine Annual Meeting.
- March 2002 Panel convener and presenter. “Race, Ethnicity, and Geographies of Difference in the Tuberculosis Pandemic.” Society for the Social History of Medicine Spring Conference.
- November 2001 Panel Convener and Chair. “Framing Risks in Uncertain Times: Challenges for STS Scholars.” Society for the Social Studies of Science Annual Meeting.
- November 2001 Invited Plenary. “Infectious Information: Bioterrorism, Global Networks, and Urban Public Health in the Internet Age.” Digital Communities: Cities in the Information Society.
- May 2001 Invited Commenter, “The Practices of Ownership.” Owing Up: Bodies, Selves, and the New Genetic Property. Kennedy School of Government, Harvard University.
- March 2001 Panel Chair, “Girls on Film? Gender and Mass Media,” Beyond No Man's Land, Harvard Graduate Interdisciplinary Gender Studies Conference.
- November 1999 Workshop Organizer and Chair. “Exchange and Commodification in Modern Medicine.” Paper title, “The Ambivalence of Exchange: Marketing Infectious Disease in the Late 20<sup>th</sup> Century.” The Humanities Center, Harvard University.

## TEACHING

---

### Teaching Awards

- 2022 Epidemiology, Biostatistics, and Occupational Health Student Society, for Excellence in Teaching Public Health. (McGill University).
- 2018 Epidemiology, Biostatistics, and Occupational Health Student Society, for Excellence in Teaching Public Health. (McGill University).
- 2011 Epidemiology, Biostatistics, and Occupational Health Student Society, Senior Teaching Award, Best Course. (McGill University).
- 2010 Epidemiology, Biostatistics, and Occupational Health Student Society, Senior Teaching Award, Best Course. (McGill University).

2007	Finalist, Wittke Undergraduate Teaching Award. (Case Western Reserve University).
2000	Certificate of Distinction in Teaching. (Harvard University).
1999	Certificate of Distinction in Teaching. (Harvard University).
1998	Certificate of Distinction in Teaching. (Harvard University).

### **Courses taught - Undergraduate**

2006	“Everything for Sale.” Bioethics, Case Western Reserve University. Evaluations available.
2006	“Public Health Ethics.” Case Western Reserve University.
1997-1998	“On Pain.” History of Science, Harvard University. Evaluations available.

### **Courses taught – Graduate**

2019-present	“Evidence, Experts, and Policy.” Max Bell School of Public Policy, McGill University.
2008-present	“Public Health Ethics and Policy.” Departments of Bioethics and Epidemiology, McGill University.
2016-present	“The Crisis in Health Research.” McGill Faculty of Medicine.
2011-2016	“Bias in Medicine.” McGill Faculty of Medicine.
2008-2010	“Health Inequalities.” McGill Faculty of Medicine.
2008-present	Lectures on Medical and Public Health Ethics, McGill Faculty of Medicine Undergraduate medical curriculum.
2009-2010	“Health and Health Care in Comparative Perspective: Costa Rica and the United States.” Department of Bioethics, Case Western Reserve University.
2006-2007	“Health Inequalities and Social Justice.” Department of Bioethics, Case Western Reserve University.

### **Research Trainees Supervised**

#### **McGill University – postdoctoral fellows**

2022-present	Hardy Oei – supervisor; postdoctoral fellow
2019-2020	Maxime Polleri – supervisor; postdoctoral fellow
2014-2016	Zinzi Bailey – supervisor; postdoctoral fellow
2014-2016	Tarik Benmarhnia – supervisor; postdoctoral fellow
2014-2016	Mark Daku – supervisor; postdoctoral fellow
2014-2016	Jon Huang – supervisor; postdoctoral fellow
2013-2016	Philippa Bird – supervisor; postdoctoral fellow
2012-2014	Gry Wester – supervisor; postdoctoral fellow
2012-2014	Jurgen De Wispelaere – supervisor; postdoctoral fellow
2012-2014	Laura Bisailon – supervisor; postdoctoral fellow
2012-2014	Anat Rosenthal – supervisor; postdoctoral fellow
2011-2012	Kristin Voigt – supervisor; postdoctoral fellow
2011-2012	Adina Preda – co-supervisor; postdoctoral fellow

#### **McGill University – masters & PhD**

2018-present	Parnor Madjitey – committee member; PhD, Family Medicine
2018-2021	Megan Allore – supervisor; masters, Bioethics/Experimental Medicine
2018-2019	James Mellett – supervisor; masters, Bioethics/Experimental Medicine

2016-2018	Jamal Archer – supervisor; masters, Bioethics/Family Medicine
2015-2017	Anushree Dave – co-supervisor; masters, Bioethics/Experimental Medicine
2013-2015	Aly Kanji – supervisor; masters, Bioethics/Experimental Medicine
2013-2015	Daniel Widrig – supervisor; masters, Bioethics/Law
2013-2016	Robin Richardson – co-supervisor; PhD, EBOH
2011-2013	Georgina Freeman – co-supervisor; masters, Bioethics/Experimental Medicine
2011-2012	David Paterson – co-supervisor; masters, Epidemiology
2010-2012	Christiane Baudouin – co-supervisor; masters, Bioethics/Law
2009	Nieves Rodriguez – co-supervisor; masters, Bioethics/Experimental Medicine
2008-2009	Joey Bonifacio-Cruz – co-supervisor; masters, Bioethics/Experimental Medicine

### **McGill University – other**

2018	Adriana Fraser – supervisor; graduate level independent study.
2016	Philip Leger – supervisor; Osler Society essay supervision
2015	Victoria Saigle – supervisor; graduate independent study, Bioethics
2014	Veronica Fraser – supervisor; graduate independent study, Bioethics
2014	David Benrimoh – supervisor; Osler Society essay supervision
2013	Thomas Muir – supervisor; medical elective independent study
2012-2013	Olivier Drouin – supervisor; ediatrics resident, Montreal Children’s Hospital.
2012	Constantina Boikos – supervisor; masters practicum, Epidemiology
2010	Anais Rameau – supervisor; fourth-year elective rotation, Medicine
2009	Mariel Harding – supervisor; undergraduate independent study, Anthropology

### **Case Western Reserve University**

2006-2008	Aaron Goldenberg – Ph.D. candidate, Bioethics.
-----------	--

### **Other Teaching**

2001-2002	Medical School Core Curriculum. University of California, San Francisco. Small Group Leader.
2001	“Pain and Palliative Medicine: From Basic Science to Clinical and Ethical Concerns.” Department of Social Medicine, Harvard Medical School. Course Coordinator.
2000	“Public Health in Historical Perspective.” Harvard University. Teaching Fellow.
1999	“Medicine and Society in America.” Harvard University. Head Teaching Fellow.
1998	“The History of Germs.” Harvard University. Teaching Fellow.
1997-2001	Senior Tutor, advising senior undergraduate theses in History and Science, Harvard University. Topics included studies of midwifery in Ghana, nutrition and international development in Tanzania, sex testing in international athletics, plastic surgery and Jewish identity, and suicidology.
1996-2001	Junior tutor, advising undergraduate concentrators in History and Science, Harvard University.

## Grant Reviews (Ad Hoc)

2018	International Development Research Centre, Ebola Rapid Research Fund
2018	Canadian Foundation for Innovation

2018	Quebec Population Health Research Network
2018	Swiss National Science Foundation
2017	Australian National Health and Medical Research Council
2015	Social Sciences and Humanities Research Council of Canada
2014	The Icelandic Research Fund
2012	Nova Scotia Health Research Foundation
2010	Wellcome Trust Foundation
2008	National Science Foundation
2008	Social Sciences and Humanities Research Council of Canada
2008	Wellcome Trust Foundation

### Peer Review Committees

2017	Canadian Institutes of Health Research, Antimicrobial Resistance Catalyst Grant
2013	Canadian Institutes of Health Research, Health Salary A Review Committee
2012	Canadian Institutes of Health Research, Fellowship Review Committee
2011	Canadian Institutes of Health Research, Fellowship Review Committee
2010	Canadian Institutes of Health Research, Fellowship Review Committee

### Other Reviews

- Reviewer, U.S. Centers for Disease Control and Prevention, *Global Perspectives on Public Health Ethics: A Casebook* (2013)
- Reviewer, Canadian Institutes of Health Research, *Public Health Ethics Casebook* (2011)
- Reviewer, National Collaborating Centre for Healthy Public Policy, *Ethics & Economic Evaluation* (2013)

### Administrative Responsibilities (McGill University)

2018-present	Director, PIAT selectives curriculum
2017-present	Director, McGill Program in Policy & Data Science
2016-present	Board Member, McGill Program in Global Mental Health
2016-present	Founding Board Member, McGill Center for Social and Cultural Data Science
2008-2018	Faculty of Medicine. Director of medical ethics in undergraduate medical curriculum.
2008-2011	Faculty of Medicine, Physicianship 4. Director of fourth year of Physicianship undergraduate medical curriculum.
2009-2010	Faculty of Medicine, Limited Self-Study Task Force. Appointed by assistant dean for medical education to supervise efforts to address standard MS-8 of the LCME/CACMS accreditation process. This resulted in the creation of the position of Assistant Dean of Admissions, Equity, and Diversity, and McGill successfully passing this standard.

### Committees (McGill University)

2017-present	School of Population & Global Health Stakeholders Committee
2018-present	Basic Sciences Education Champions Committee

2014-2017	Institute for Public and Population Health Task Force
2014-2017	Chair, Subcommittee on Membership, Organization, Structure, Governance and Funding, Institute for Public and Population Health Task Force,
2013-2016	MScPH Core Curriculum Review Committee, Department of Epidemiology, Biostatistics, and Occupational Health
2013-present	MScPH Admissions Committee, Department of Epidemiology, Biostatistics, and Occupational Health
2011-present	Faculty of Medicine Admissions Board.
2010-present	Multiple Mini-Interview Review Committee. Develop and review interview scenarios for medical school admissions.
2009-2012	Faculty of Medicine Widening Participation Committee. Charter member of committee to increase diversity pipeline programs for medical school applicants.
2011	“Would You Fund It?” Review Committee.
2008-2017	Physicianship Coordinating Committee. Committee member.
2009-2010	Strategic Planning Committee, Education Design Group. Committee member.
2009-2010	Strategic Planning Committee, Education Design Group, Best Practices Subcommittee. Committee member.
2009-2010	Strategic Planning Committee, Education Design Group, Population Health and Family Medicine Subcommittee. Committee member.

### **Other Service**

2017	Pro-Dean, Sam Selmani, Department of Physics
2016	Pro-Dean, Rosalind Hampton, Integrated Studies in Education
2014	Pro-Dean, Oleksandr Fuks, Education and Counseling Psychology

### **Consulting**

2017	John St./Ontario Ministry of Health and Long-Term Care – consulting on marketing campaign to reduce opioid-related mortality among patients
2009-present	Fonds de la Recherche en Santé, Axe Éthique Et Santé Publique. Member of Quebec inter-university public health ethics research axis.
2009	Strategic Initiatives and Innovations Directorate, Public Health Agency of Canada. Review of the methodology of scenario building and population health, with specific applications to social determinants of health.
2008-2010	Community for Excellence in Health Governance. Development of a Community of Practice for boards of major Canadian medical centers.
2006-2007	National Institutes of Health, Human Microbiome Project. Preparation of informed consent documents.
2006	Ohio Department of Health, Division of Prevention. Planning for altered standards of care during an influenza pandemic.

### **MEDIA**

---

My research has been covered and I have given expert interviews in a wide range of media, including television, radio, and print. Please see my website (<http://www.nicholasbking.net>) for links to recent media appearances.
