All residence offers are sent by email from the Vancouver Housing office and include an expiry date to respond and pay a deposit. Specific residence and room assignments are managed by the Vancouver Housing office.</p>	<p>Priority consideration for on-campus housing is given to:</p> <ul style="list-style-type: none"> <li>• All inbound exchange students</li> </ul> <p>All residence offers are sent by email from the Okanagan Housing office and include an expiry date to respond and pay a deposit.</p>

If students arrive too early without a study permit, their extension request for the period of authorized stay in Canada may not be approved by immigration officers.</p> <p>If you apply for a study permit, you do not need to apply for a TRV or eTA because it will be issued to you when your study permit application is approved. <b>International Student Guide</b> – <a href="#">How to apply for initial Study Permit</a>.</p>
