Our global reputation is reflected in our league table rankings. However, we're more than our rankings and we're proud to be different. At WBS, we want our School to feel like home to our students and we encourage an environment where new ideas can flourish, the status quo can be challenged and where it's not about always being right, but about doing things the right way. We're here to support and motivate every student to unlock their full potential, and achieve their ambitions.

As an exchange student at WBS, you will make lifelong friends and connections, and will become part of our global Change Maker community. I hope to see you on campus very soon.

# What our exchange students say about us...

*"I chose to attend WBS because of the excellent reputation of the business school along with my goal to focus on internal business practices. Since I plan to attend law school to become a corporate lawyer after completing my undergraduate studies, I wanted to strengthen my knowledge on business strategies and found WBS the ideal place to do so."*

**Jacob Ritter**, Cornell University, United States

*"I thoroughly enjoyed my time at WBS, and I wish it could've been longer. Coming to WBS was one of the best, if not the best, decision I've ever made. I made life-long friends and connections and learned so many lessons both in and out of the classroom. I will forever cherish the time I got to spend at WBS."*

**Katherine Sewell**, Monash University, Australia

*"I chose to come here as an exchange student for the Autumn Term. Although I was nervous to begin with, I am so glad that I took part in the programme. I knew that I wanted to go to Warwick Business School because of their reputation. During my time here, I got involved in numerous activities that really helped me settle in and experience British culture. If you are thinking about coming to Warwick do not hesitate for a second. No matter what kind of person you are, you will always feel welcomed at WBS."*
