

# ORIENTATION WORKSHOP FOR 'NEW' FACULTY SITES OF INTEREST

## RESEARCH

### Research funding sources & support

Office of Sponsored Research - Provides front line service to McGill researchers who seek out sponsored research to support their research portfolios, graduate students and knowledge building activities.

<http://www.mcgill.ca/research/researchers>

Faculty of Medicine's Research Office

<http://www.mcgill.ca/medresearch/>

Research conducted in the Faculty of Medicine

<http://www.mcgill.ca/medicine/research/>

Community of Science (COS) - Funding database which contains information on funding opportunities available to McGill faculty members

<http://www.mcgill.ca/research/researchers/funding/databases>

### Ethics review process

McGill's regulations on research policy

<https://www.mcgill.ca/secretariat/files/secretariat/conduct-of-research-regulation-on.pdf>

Information on Research Integrity

<http://www.mcgill.ca/research/about/integrity>

McGill's policy on the ethical conduct of research involving human subjects

[https://www.mcgill.ca/secretariat/files/secretariat/policy\\_on\\_the\\_ethical\\_conduct\\_of\\_research\\_involving\\_human\\_participants\\_0.pdf](https://www.mcgill.ca/secretariat/files/secretariat/policy_on_the_ethical_conduct_of_research_involving_human_participants_0.pdf)

Institutional Review Board of the Faculty of Medicine

<http://www.mcgill.ca/medresearch/ethics/>

Certification for researchers working with human subjects or animals or will be dealing with radioactive or biohazardous materials

<http://www.mcgill.ca/medresearch/ethics/links>

<http://www.mcgill.ca/ctrp/links/>

### Laboratory safety

Safety protocol at McGill

<http://www.mcgill.ca/adminhandbook/>

Laboratory safety procedures and regulations
