

# FACULTY HONOUR LIST FOR EDUCATIONAL EXCELLENCE 2025 - 2026

*A Faculty program since 1998.*

## PREAMBLE

Education in the Faculty of Medicine and Health Sciences at McGill University covers a wide spectrum of activity, from undergraduate education to graduate, postgraduate and continuing professional education. The goal of this program is to recognize outstanding contributions to education in the Faculty of Medicine and Health Sciences.

## PROGRAM COMPONENTS

This program consists of the following components:

- The candidate is named to the Faculty Honour List for Educational Excellence.
- The candidate's achievements are celebrated at the Faculty Honour List Symposium.

### Faculty Honour List for Educational Excellence

The goal of the program is to recognize individuals who have distinguished themselves in the area of health sciences education and whose contributions have had a significant and noteworthy impact.

Achievements in all of the following areas will be recognized:

- **Teaching:**
  - ✓ Outstanding teaching on a sustained basis.
- **Educational Leadership and Innovation:**
  - ✓ Demonstration of leadership & innovation in health professions/sciences education.
  - ✓ At least 3-years as a leader of an educational program/innovation.
- **Faculty Development;**
  - ✓ Commitment to capacity-building (e.g. outreach and support for colleagues such as in faculty development activities, mentorship and peer coaching; self-improvement activities).
  - ✓ Significant involvement in faculty development activities at a faculty or departmental level.
- **Research and Scholarly Activity in Education;**
  - ✓ Demonstration of a scholarly approach to teaching and education.
  - ✓ Research in the area of health professions/sciences education.
  - ✓ Grants received for health professions/sciences education.

## FACULTY HONOUR LIST SYMPOSIUM

All individuals named to the Faculty Honour List will be invited to attend the Symposium, which is held in the Spring of each year. This symposium will include presentations by the honourees, who will be asked to discuss their areas of interest, leadership, or innovation in education. Individuals will be honoured at a reception following the symposium.

## NOMINATING PROCESS

Individuals who have been faculty members for **at least five years** can be nominated to the Faculty Honour List by their peers, students, or supervisors.

A faculty committee, appointed by the Dean, will select the honourees according to the elements in the recognized areas of achievement.

## REQUIRED DOCUMENTATION

Please complete & submit the following nomination form ([click here](#)) with the listed supporting documents to the Faculty Development Office before **February 3, 2025**.

Only packages using one of the following 2 file formats will be accepted:

- 1) Compressed (zipped) folder
