Residents Apply Pressure

Medical residents vote to use pressure tactics may include a strike this summer

BY AARON DERFEL, THE GAZETTE MAY 21, 2011
Quebec's 3,000 medical residents are threatening to protest against the provincial government early as this summer to protest against the

Members of the Fédération médicale week to launch a series of pressure tactics, including a strike of medicine

Moyens de pression des médecins résidents

Holà à l'enseignement, priorité aux patients
Louise-Maude Rioux-Saucy 3 juin 2011 Santé

Choquée de voir le gouvernement persister dans son refus de reconnaître l'apport des médecins résidents à la formation médicale, leur fédération a annoncé hier l'arrêt de l'enseignement dans les établissements de santé du Québec. Un moyen de pression d'une semaine qui débutera lundi matin prochain et se terminera le vendredi suivant, à 17h.
