RESEARCH ASSISTANT**

Position Title:	Research Assistant
Hiring Unit:	Department of School of Population & Global Health
Supervisor:	Dr. Joe Cox
Work Location:	School of Population and Global Health- McGill Campus
Hours/Week & Schedule:	35 hours per week
Hourly Wage:	\$28.44
Planned Start Date & End Date:	Start date: September 2020 with the possibility of renewal
Date of Posting:	September 16, 2020
Deadline to Apply:	September 22, 2020

PRIMARY DUTIES

The School of Population and Global Health (SPGH), Faculty of Medicine of McGill University, invites applications for a Research Assistant position. The selected applicant will manage the development and adaptation of COVID-19 training modules to the Quebec context. The incumbent will develop a roadmap including resources for the project (as well as for phase 2) and develop a formal project scope/overview. The training modules will include general communication strategies using simulations and focus on diverse cultural communities.

EDUCATION/EXPERIENCE

- Master's or PhD
- Excellent attention to details and organizational skills.
- Good communication skills (oral and written).
- Ability to work independently, take initiative, creativity and commitment to producing high-quality work.

HOW TO APPLY

Please submit your application to: joseph.cox@mcgill.ca

McGill University is committed to equity in employment and diversity. It welcomes applications from indigenous peoples, visible minorities, ethnic minorities, persons with disabilities, women, persons of minority sexual orientations and gender identities, and others who may contribute to further diversification.
