### 3. RESEARCH

Publications should be numbered in your CV and could be organized per year to facilitate identification of annual productivity. Trainees should be identified in your publications. Grants should be organized as “CURRENT FUNDING” and “PAST FUNDING”. Amounts should be expressed per annum. Please provide` only the amount attributed to you personally for each grant that you have with multiple investigators.

For grant panels, please stipulate clearly if you are a chair or a committee member and the annual time commitment. For ad-hoc activities, please indicate the number of grants reviewed per year. For editorial activities, please indicate the number of reviews that you performed annually. Please indicate if you are an active member of an editorial board and the number of reviews carried out. For invitations, please organize these as Regional, National and International, if appropriate.

<p>Publications (submitted, in press, or published) Include both peer-reviewed and non peer reviewed. Technical reports, invited reviews, chapters, editorials. Please also list patents here.</p>	
<p>Grants (total numbers and total dollars) Include both grants currently held and those applied for. Include funding agency and funding period.</p> <p>Please indicate whether these are peer-reviewed and whether you are the PI or co-PI.</p> <p>Research contracts</p> <p>For multicentre trials, please specify your role in the study.</p>	
<p>Salary Awards</p>
