

**Faculty of Medicine
Annual Academic Activities Report – Self Evaluation**

Tenure Stream, M.D.'s in a Clinical Department

REFERENCE PERIOD: January 1, ____ – December 31, ____

Please ensure this section is completed and signed

Name:

Department/Division:

Year MD or PhD awarded:

Year appointed:

Rank:

Signature: _____

Please attach pertinent additional material to this document as an appendix. If you have been on leave for any reason (sabbatical, maternity, parental, sick), please be sure to indicate this.

1. ANNUAL GOALS & OBJECTIVES

(a) Last Year's Goals:

(b) Major achievements in past year:

- Achievement you are proudest of in past year:

- Disappointments:

(c) Goals for next year (including plans for career development):

2. TEACHING ACTIVITIES

Please stipulate the nature of the teaching performed, provide any course numbers where appropriate and document the **number of hours** per time you perform this teaching.

Any available objective evaluation of your teaching effectiveness, role in course development or management and teaching award citations should be provided.
Please have your McGill undergraduate (medical student) and postgraduate (resident) One45 evaluations available for review.

Research trainee supervision should stipulate the name of the student or trainee, level (MSc,PhD,PDF), department and years of study.

Please use completion of this form as an opportunity to report and highlight any ***innovative or original approaches*** that you have taken to your educational activities.

<p>Undergraduate and post graduate (classroom, small group, simulation centre, mentoring, etc) Course coordinator</p>	
<p>Research Trainees (graduate students, clinical research fellows and post-doctoral fellows) thesis committees</p>	
<p>Clinical Supervision (ward, consult service, clinic/OPD, procedural, etc) Program director, Royal College</p>	

<p>C.M.E./C.P.D. (Describe the teaching provided. In each case, please indicate whether you participated or led the activity)</p>	
<p>Teaching awards or recognition</p>	
<p>RUIS/OUTREACH (Teaching in RUIS, telemedicine. Please complete as above)</p>	

3. RESEARCH

Publications should be numbered in your CV and could be organized per year to facilitate identification of annual productivity. Trainees should be identified in your publications. Grants should be organized as “CURRENT FUNDING” and “PAST FUNDING”. Amounts should be expressed per annum. Please provide only the amount attributed to you personally for each grant that you have with multiple investigators.

For grant panels, please stipulate clearly if you are a chair or a committee member and the annual time commitment. For ad-hoc activities, please indicate the number of grants reviewed per year. For editorial activities, please indicate the number of reviews that you performed annually. Please indicate if you are an active member of an editorial board and the number of reviews carried out. For invitations, please organize these as Regional, National and International, if appropriate.

<p>Publications (total) Please include peer-review research, case reports, practice guidelines, clinical reviews, etc. Please also list patents here.</p>	
---	--

<p>Grants (total numbers and total dollars)</p> <p>Please indicate whether these are peer-reviewed and whether you are the PI or co-PI.</p> <p>For multicentre trials, please specify your role in the study.</p> <p>Research contracts</p> <p>Please use this space to mention funding obtained for innovative clinical or quality improvement projects.</p>	
<p>Salary Awards</p>	
<p>Grant Panels and Reviews</p>	
<p>Editorial Activities Including manuscript reviews</p>	
<p>Formal Presentations at Rounds, etc.</p>	
<p>Invitations (Visiting professor, Invited speaker, Etc)</p>	

4. ADMINISTRATION
