Faculty Lecturer (Professional)

Faculty of Medicine – School of Physical and Occupational Therapy

Position description

The School of Physical and Occupational Therapy is seeking applications for a part-time position (1.75 days per week) as a member of the Contract Academic Staff at the rank of Faculty Lecturer (Professional). The candidate will be responsible for the coordination and teaching responsibilities associated with content related to professional practice courses within the Physical Therapy Professional Master’s program.

Job Duties

Responsibilities will include teaching and some coordinating in the Qualifying Year (QY) courses. Courses will involve a mix of theoretical and skill-based learning, and large or small group teaching. Coordination will involve being responsible for all course updates and content delivery associated with teaching assignments, OSCE exams, and being responsible for meeting student needs within these courses. Administrative responsibilities will include involvement in the Physical Therapy Program activities and meetings, and service on program, school, national and international committees and professional associations as required.

Qualifications and Education Requirements

Minimum requirements for consideration are:
- Physical Therapy degree
- Master’s degree or higher (PhD preferred)
- Ability to communicate effectively with students and teaching team
- Good organizational skills are essential
- Clinical experience as a physical therapist and previous teaching experience at a university level
- Ability to work well with an inter-professional team
- Must be a member of or be eligible for membership in the OPPQ
- Fluent in English

Assets:
- Spoken and written French are an asset

McGill University hires on the basis of merit and is strongly committed to equity and diversity within its community. We welcome and encourage applications from racialized persons/visible minorities, women, Indigenous persons, persons with disabilities, ethnic minorities, and persons of minority sexual orientations and gender identities, as well as from all qualified candidates with the skills and knowledge to productively engage with diverse communities.

McGill further recognizes and fairly considers the impact of leaves (e.g., family care or health-related) that may contribute to career interruptions or slowdowns. Candidates are encouraged to signal any leave that affected productivity, may have had an effect on their career path. This information will be considered to ensure the equitable assessment of the candidate’s record.

McGill implements an employment equity program and encourages members of designated equity groups to self-identify. It further seeks to ensure the equitable treatment and full inclusion of persons with disabilities by striving for the implementation of universal design principles transversally, across all facets of the University community, and through accommodation policies and procedures. Persons with disabilities who anticipate needing accommodations for any part of the application process may contact, in confidence, Professor Angela Campbell, Associate Provost (Equity and Academic Policies) by email or phone at 514-398-1660.
All qualified applicants are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadians and permanent residents will be given priority.
