### MAIN RESPONSIBILITIES

#### Case Management

- Provides confidential short-term counselling to students across the four years of the MDCM Program.
- Navigates the best strategy for helping learners attain wellness, through counselling, support groups, and by providing referrals when appropriate.
- Provides case coordination and management in situations of high risk or critical incidents.
- Provides group interventions for learners and academic programs.

#### Prevention, Outreach and Innovation

- Directs the MDCM Wellness Curriculum Content.
- Develops, coordinates, manages and delivers educational activities related to learner health.
- Establishes solid relationships with clinical faculty, hospital and University administrators, and learner leadership groups.
- Travels to Gatineau training site every 12-16 weeks.
- Available for a minimum of one evening per week to provide individual and group counselling.

### EDUCATION/EXPERIENCE

Graduate degree in counselling or clinical psychology, social work, nursing, occupational therapy or related field, or an equivalent combination of education and experience (5 years minimum).

### OTHER QUALIFYING SKILLS & ABILITIES

- Relevant experience in counseling in the educational context, preferably in the health professions.
- A superior understanding of the issues of wellness/resilience in health professionals.
- Experience leading and facilitating group workshops.
- Skill in working with university-aged population and individuals in crisis.
- Able to work effectively and collaboratively with professional and academic staff in the University.
- Able to exercise patience, tact, judgment, discretion, and confidentiality.
- Demonstrated multicultural competence.
- Demonstrated ability to recognize the limits of one's own scope of practice.
- Superior oral and written communication, leadership, organizational, and interpersonal skills in both French and English.

### HOW TO APPLY

Please submit your cover letter and resume by February 26, 2019 to: [sonia.pardisi@mcgill.ca](mailto:sonia.pardisi@mcgill.ca)

*McGill University hires on the basis of merit and is strongly committed to equity and diversity within its community. We welcome applications from racialized persons/visible minorities, women, Indigenous persons, persons with disabilities, ethnic minorities, and persons of minority sexual orientations and gender identities, as well as from all qualified candidates with the skills and knowledge to productively engage with diverse communities. McGill implements an employment equity program and encourages members of designated groups to self-identify. Persons with disabilities who anticipate needing accommodations for any part of the application process may contact, in confidence, Professor Angela Campbell, Associate Provost (Equity and Academic Policies) by [email](mailto:angela.campbell@mcgill.ca) or phone at 514-398-1660.*

*All qualified applicants are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadians and permanent residents will be given priority.*
