Reference #: C-190617

Assistant Professor (Clinical)
Faculty of Medicine – Department of Surgery, Division of Vascular Surgery

Position description

The McGill Division of Vascular Surgery, Department of Surgery in the Faculty of Medicine is currently seeking applications for a Contract Academic Staff position at the rank of Assistant Professor (Clinical) in the Division of Vascular Surgery. The applicant will be primarily located at the Jewish General Hospital but will share call duty across the McGill sites.

Canada’s most international university, McGill is located in vibrant, multicultural Montreal in the francophone province of Quebec. The Department of Surgery is proud of its achievements in the areas of patient-centered surgical care, teaching, research, and evaluation of technology. The Division of Vascular Surgery is a leader in the delivery of vascular surgery care in the province of Quebec. Clinical services are provided primarily through two hospitals on the Island of Montreal: The McGill University Health Centre (MUHC) and the Jewish General Hospital (JGH).

Job Duties

The candidate is expected to spend at least 50% of their time involved in research activities. The remaining time will be dedicated to clinical duties such as outpatient clinics and performing surgery. The candidate will also be expected to be involved in the teaching of medical students, residents, and fellows. The candidate will be expected to create a program in surgical simulation.

Qualifications and Education requirements

- Must have completed an approved Vascular Surgery residency.
- Must be certified or eligible to be certified in Vascular Surgery.
- Must hold an MD and be eligible for licensure in Quebec.
- Must have completed an advanced Fellowship in Endovascular Surgery, including expertise in aortic-branched grafts and arch interventions.
- A strong research background is required.
- Experience in surgical simulation is strongly preferred.
JOB DETAILS

**Job Type:** Contract Academic Staff (Clinical)

**Rank:** Assistant Professor

**Job status:** Full-time

McGill University hires on the basis of merit and is strongly committed to equity and diversity within its community. We welcome and encourage applications from racialized persons/visible minorities, women, Indigenous persons, persons with disabilities, ethnic minorities, and persons of minority sexual orientations and gender identities, as well as from all qualified candidates with the skills and knowledge to productively engage with diverse communities.

McGill further recognizes and fairly considers the impact of leaves (e.g., family care or health-related) that may contribute to career interruptions or slowdowns. Candidates are encouraged to signal any leave that affected productivity may have had an effect on their career path. This information will be considered to ensure the equitable assessment of the candidate’s record.

McGill implements an employment equity program and encourages members of designated equity groups to self-identify. It further seeks to ensure the equitable treatment and full inclusion of persons with disabilities by striving for the implementation of universal design principles transversally, across all facets of the University community, and through accommodation policies.
and procedures. Persons with disabilities who anticipate needing accommodations for any part of the application process may contact, in confidence, Professor Angela Campbell, Associate Provost (Equity and Academic Policies) by email or phone at 514-398-1660.

All qualified applicants are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadians and permanent residents will be given priority.
