Assistant Professor (Clinical)

Faculty of Medicine – Department of Anesthesia

Position description

The Department of Anesthesia at McGill University invites applications for an Anesthesiologist as a member of the Contract Academic Staff at the rank of Assistant Professor. This is a 12-month, full-time position and does not confer eligibility for tenure.

Canada’s most international university, McGill is located in vibrant, multicultural Montreal in the francophone provide of Quebec. The Department of Anesthesia of McGill University is proud of its achievements in the area of clinical care, teaching, and research and has an excellent reputation as a centre adhering to the highest educational standards.

Job Duties

The incumbent will provide anesthesia care and academic leadership in research and education, primarily at the Royal Victoria Hospital and from time to time at the other adult teaching hospitals of the McGill University Health Centre (MUHC) in the Department of Anesthesia. The position involves research, teaching fellows, residents, and medical students of McGill University.

Qualifications and Education requirements

Candidates must hold an MD degree and demonstrate expertise in Anesthesia. Candidates must be eligible for licensure in the province of Quebec and possess a Royal College of Physicians and Surgeons Fellowship or equivalent. Applicants should have substantial administrative experience and a commitment to research and academic excellence with a recognized international reputation. Knowledge of the French language is an asset.

McGill University hires on the basis of merit and is strongly committed to equity and diversity within its community. We welcome and encourage applications from racialized persons/visible minorities, women, Indigenous persons, persons with disabilities, ethnic minorities, and persons of minority sexual orientations and gender identities, as well as from all qualified candidates with the skills and knowledge to productively engage with diverse communities.

McGill further recognizes and fairly considers the impact of leaves (e.g., family care or health-related) that may contribute to career interruptions or slowdowns. Candidates are encouraged to signal any leave that affected productivity, may have had an effect on their career path. This information will be considered to ensure the equitable assessment of the candidate’s record.

McGill implements an employment equity program and encourages members of designated equity groups to self-identify. It further seeks to ensure the equitable treatment and full inclusion of persons with disabilities by striving for the implementation of universal design principles transversally, across all facets of the University community, and through accommodation policies and procedures. Persons with disabilities who anticipate needing accommodations for any part of the application process may contact, in confidence, Professor Angela Campbell, Associate Provost (Equity and Academic Policies) by email or phone at 514-398-1660.

All qualified applicants are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadians and permanent residents will be given priority.
