Assistant Professor (Clinical) – Emergency Room and Brief Intervention Unit
Faculty of Medicine – Department of Psychiatry

Position description

The Department of Psychiatry at McGill University is currently inviting applications for a full-time position as a member of the Contract Academic Staff at the rank of Assistant Professor (Clinical). This will be a three-year, renewable appointment.

The successful candidate will have a broad range of clinical abilities and aptitude for working in interdisciplinary teams in a psychiatric emergency room as well as in the Brief Intervention Unit. The applicant will also have an academic track record, demonstrated by experience in education and/or an active research dossier. The candidate will be appointed to clinical practice at the Douglas Mental Health University Institute.

The Douglas Mental Health University Institute is part of the Centre intégré universitaire de santé et de services sociaux de l'Ouest-de-l'Île-de-Montréal (CIUSSS-ODIM) whose mission is to offer cutting-edge care and advance and share knowledge in mental health. The department is proud to host a respectful, multi-disciplinary and inclusive work setting in its multiple areas of activity, which includes the training of a diverse group of students.

The department is affiliated with McGill, Canada’s most international university, which is located in vibrant, multicultural Montreal, in the francophone province of Quebec.

Job Duties

The successful candidate will be expected to provide excellent clinical teaching and supervision to residents and medical students, participate in hospital administrative activities; to pursue scholarly activities, and is expected to make innovative contributions to the academic mission of the department.

Qualifications and Education

Requirements

- Applicants must have completed advanced Psychiatry training (fellowship/graduate studies).
- Applicants must hold or be eligible for licensure as a psychiatrist in the province of Quebec.
- Advanced capacity to engage in all aspects of a university affiliated psychiatry department (clinical, education and/or research).
- Bilingual language competencies (French and English).

**Assets**

- Clinician-scientists with MD/PhD (or equivalent research intensive training), are strongly encouraged to apply.
- Clinical experience in Emergency/Crisis Psychiatry
- Strong clinical/academic background working with patients diagnosed with mood, anxiety, suicidal issues and/or personality disorders would be an asset.

*McGill University hires on the basis of merit and is strongly committed to equity and diversity within its community. We welcome and encourage applications from racialized persons/visible minorities, women, Indigenous persons, persons with disabilities, ethnic minorities, and persons of minority sexual orientations and gender identities, as well as from all qualified candidates with the skills and knowledge to productively engage with diverse communities.*
McGill further recognizes and fairly considers the impact of leaves (e.g., family care or health-related) that may contribute to career interruptions or slowdowns. Candidates are encouraged to signal any leave that affected productivity, may have had an effect on their career path. This information will be considered to ensure the equitable assessment of the candidate’s record.

McGill implements an employment equity program and encourages members of designated equity groups to self-identify. It further seeks to ensure the equitable treatment and full inclusion of persons with disabilities by striving for the implementation of universal design principles transversally, across all facets of the University community, and through accommodation policies and procedures. Persons with disabilities who anticipate needing accommodations for any part of the application process may contact, in confidence, Professor Angela Campbell, Associate Provost (Equity and Academic Policies) by email or phone at 514-398-1660.

All qualified applicants are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadians and permanent residents will be given priority.
