Excellence in Health Care and Lifelong Learning

## Message from our Associate Dean

Dear Colleagues,

The McGill University Faculty of Medicine and Health Sciences Office for Continuing Professional Development (CPD) has a core mission to support healthcare providers in caring for diverse patient populations. To serve the educational needs of family physicians and other medical specialists, residents, medical students and allied healthcare professionals, the Office continues to offer the **McGill CPD MedUpdates** webinar series as **live and on-demand** accredited learning modules.

Through the concerted efforts of our dynamic Scientific Planning Committee, guest faculty and dedicated administrative staff, this year's programming offers varied and stimulating content and includes 72 CPD presentations covering 12 disciplines.

As always, weekly one-hour webinars will be livestreamed on **Wednesdays, starting at 12:00 ET**, while the weekly two-hour webinars will be livestreamed on **Thursdays from 18:30 ET**. All webinars will be archived and made available as on-demand learning modules one week after each live session. This will allow you to watch at your convenience to receive full credit for up to one year.

Continuing professional development is crucial to maintaining competence and mandatory for licensure. All webinars meet the accreditation/certification criteria of the College of Family Physicians of Canada and the Royal College of Physicians and Surgeons of Canada. As such, participants may claim Mainpro+® or MOC Section 1 credits.

On behalf of the McGill CPD Office, I invite you to consult the [McGill CPD MedUpdates site](#) for more information, including a list of **upcoming interactive presentations**.

Whether you are at home, at the office, or on campus, we look forward to joining you for this remarkable learning experience.

Best regards,

*Heather Abrahams*

Heather Abrahams, MDCM CCFP  
Associate Dean, Continuing Professional Development  
Faculty of Medicine and Health Sciences  
McGill University

### SCIENTIFIC PLANNING COMMITTEE:

Heather Abrahams, MD (Associate Dean)  
Miriam Boillat, MD (former interim Associate Dean)  
Patrick Ergina, MD

Laurie Plotnick, MD  
Mohan Radhakrishna, MD  
Earl Rubin, MD  
Jesse Schwartz, MD  
Bernard Unikowsky, MD  
Patrizia Zanelli, MD

## ABOUT THE COURSE

---

### LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

- demonstrate their competence in a wide variety of family and general practice subjects with a consideration of the CanMEDS roles;
- outline knowledge of new investigations, management strategies and therapies;
- provide practical office-based screening and disease prevention strategies;
- optimize communication and collaboration with other professionals in a team-based inter-professional model.

### ACCREDITATION

This series meets the accreditation/certification criteria of:

- The College of Family Physicians of Canada (Mainpro+®)
- The Royal College of Physicians and Surgeons of Canada (MOC)
- Le Conseil québécois de développement professionnel continu des médecins (CQDPCM): 2016 Code of Ethics for parties involved in Continuing Medical Education

### CREDITS

- Certified for up to 72 Mainpro+® Group Learning or Self-Learning credits
- Accredited for up to 72 MOC Section 1 (Group Learning Activity) credits/hours

### POTENTIAL CONFLICT OF INTEREST AND COURSE DEVELOPMENT

All CPD educational programs are developed by a Scientific Planning Committee (SPC) and McGill guest faculty. Speakers, moderators and SPC members are mandated to disclose to the audience any real or apparent conflict(s) of interest. All decisions about the program's content and presenters are made exclusively by the SPC.

### ADDITIONAL NOTES

Presentations are delivered in English. Questions may be asked in either English or French. Certificates will be provided at the end of the fall and winter sessions.

## IMPORTANT INFORMATION

---

### **REGISTER TODAY!**

- An **early bird special rate** will apply to registrations processed **before September 12, 2022, at 23:59 ET**.
- Proof of profession and/or McGill ID (if applicable) is required for the McGill Faculty of Medicine and Health Sciences members, residents, students, nurses and physicians.
- Registration is FREE for McGill Faculty of Medicine and Health Sciences residents and students.
- [MedUpdates Registration Guide](#)

### **PAYMENT METHOD**

- All fees are in Canadian dollars (CAD). Applicable taxes will be added accordingly.
- All registrations must be paid by credit card online through our registration platform.
- No cheques or cash payments will be accepted.
- Tax receipts will be automatically sent by email upon registration.

### **ADDITIONAL FEES**

- A fee of \$30 plus taxes will be charged for any additional certificates requested.

### **CANCELLATION/REFUND POLICY**

The Office for Continuing Professional Development (CPD) of McGill University reserves the right to change presentation topics or speakers without notice.

In the event of a session cancellation, registrants

will be notified as soon as possible. The McGill CPD Office will aim to reschedule any cancelled events at a later date. If rescheduling is not possible, registration fees for these events will be refunded to participants. For schedule changes, consult our calendar.

Individuals who have registered for multiple sessions as part of a bundle and who wish to cancel will be refunded for upcoming live sessions that have not yet taken place.

All cancellation requests must be made in writing to [cpdcourses.med@mcgill.ca](mailto:cpdcourses.med@mcgill.ca). A 25% administrative fee will apply.

No refunds will be issued for individual session cancellations.

McGill University will not be liable for any loss, damages or other expenses that such cancellations may cause.
