## Retreat recap

Thank you to everyone who attended the inaugural MPU retreat! In total we had 33 participants, which included students and academic and clinical staff. Activities included debates, group problem solving exercises, discussion regarding the mission and vision of the MPU, and a lively game of broomball. Photos from the event can be found at <https://goo.gl/photos/MnMLi11HMbY5igvq7>.

## Conference attendance

MPSC will be organizing group accommodation for students attending COMP and AAPM this summer. When you know if you are attending one of these conferences, please let André (COMP) and/or Susannah (AAPM) know.
