Interview workshop

We are holding a hands-on interview workshop on Friday December 1st from 10am-12pm in room DS1.1427. Students will be put in small groups and rotate through different interviewers who will ask typical interview questions and provide feedback. Sign up at: <https://doodle.com/poll/tasxrkmecdwbt2>

Wine & cheese symposium: What is Medical Physics?

We are giving a "What is Medical Physics?" talk (with wine and cheese!) on November 16th at 5:30pm in Rutherford 112. Everyone is invited to attend! Facebook event at: <https://www.facebook.com/events/1204161249728358/>

Christmas Party

This year's MPU Christmas Party will be at Karina Club Lounge on Saturday, December 2nd at 7pm. Tickets include 2 drinks, a 4-course meal & coat check. \$35 for MPU members, \$60 for +1s. Please RSVP and bring your money to Ali or André in room DS1.7116 by November 20th. <https://doodle.com/poll/dyn247wds3rf7awu>

Reminders

- Please notify Ali (allison.toltz@mail.mcgill.ca) of new publications, awards and conference/workshop attendance so we can post about it on our social media accounts.
- Keep your MPU website profile up to date using the google forms. Student information can be updated at <https://goo.gl/1Loivi> and a modification request can be made at <https://goo.gl/pibLCa>.

Student accomplishments

Congratulations to the following students on their recent achievements:

- Dr. Jessica Perez for successfully defending her PhD!
- Allison Toltz for her paper "Time-resolved diode dosimetry calibration through Monte Carlo modeling for in vivo passive scattered proton therapy range verification" published in Journal of Applied Clinical Medical Physics.
