Current Topics Seminar Attendance Form
McGill Department of Microbiology and Immunology

Graduate students in Microbiology and Immunology are required to attend ten scientific seminars each term. Students must attend the seminars from the Infection and Immunity Seminar Series offered by the Department. Students are permitted to attend external seminars, which may be any life sciences-related seminars held at McGill University or its affiliated centres (MUHC, LDI, IRCM) presented by principal investigators. Students are required to confirm attendance at these seminars by having this form (or the seminar’s poster) signed by the professor hosting the seminar. The form should be submitted electronically to the Student Affairs Coordinator (grad.microimm@mcgill.ca) within 1 week of the seminar attendance.

Name of student: __________________________ ID: ______________________

Speaker: __________________________________________________________

Title of seminar: ____________________________________________________

Date of seminar: ________________ Time of seminar: ______________________

Location: __________________________________________________________
