In 2021, McGill University will commemorate its 200th anniversary. The Bicentennial is an opportunity for the McGill community to come together and celebrate the university's history, our rich and diverse community, and to launch our third century. The Office of the Principal sincerely invites all students to join in the preparations leading up to the celebrations. **Town halls** will be held for the student body to share their ideas, visions and initiate a long-term conversation about the Bicentennial and our shared future.

**A town hall will be held downtown, in Leacock 232 from 4pm to 5:30pm on Tuesday, October 16th.**

**At Macdonald campus, join us on Thursday, October 4, at 11:45am, in CC1-163.**
