On October 13th, in collaboration with MISA, we held the Annual MIMM Homecoming Wine and Cheese. This event was a wonderful success with a total of 135 attendees. MIMM Alumni, Students, Professors and Staff Members mingled and shared stories in a relaxed and collegial environment. The energy of our students was contagious and the mentorship of the Professors was highly appreciated by our trainees. Special thanks to everybody that attended and to the organizers for the planning of such a great event.

Please join me in welcoming a new member of the AEC#2 Finance team, Mr. Matthew Vazquez. Mr. Vazquez will be replacing Brenda as the Senior Accounts Administrator, while she is assuming Jackie's role during her developmental assignment. Matthew, we wish you a warm welcome to McGill and our MIMM Community.

I wish you all a wonderful month.

All the best,

Ben
