MIIE | WE BRING MCGILL TO YOU

The McGill International Institute of Education (MIIE) is a global learning classroom rich in its diversity and flexible in its accessibility. MIIE offers **Professional Development Certificate in Global Trends in Education** upon completion of a set number of courses and **custom-designed curricula, programs, and courses**, each tailored to your needs and objectives.

This course teaches the use of reflective practice to develop theories of leadership action in educational settings. This course also provides students with the knowledge, skills and attitudes necessary to engage in processes to improve individual and organizational performance. Special emphasis will be given to communication, problem solving and decision-making.

OBJECTIVES

- Connect the elements of strategic leadership: vision, strategy, culture, leadership
- Use and practice strategic analysis and action models
- Develop an action plan (strategy execution) for deepening your leadership
- Identify and harness individual strengths to enhance leadership
- Craft an effective strategy for building leadership capacity in your organization
