February 21-23, 2018
McGill Faculty Club – Montreal

Greetings from the McGill Institute for the Study of Canada!

We are pleased to present our **23rd Annual Conference** titled,
Who Pays for Canada? Taxes & Fairness.

On the centenary of income tax in Canada—first collected in 1918—we take the opportunity to **explore what “fairness” means** and invite you to join the discussion! To mark the beginning of the conference, a special event will take place on February 21st with a [screening of the documentary 'The Price We Pay'](#), inspired by Brigitte Alepin's book, *La Crise fiscale qui vient*. In the following two-day conference, our exceptionally diverse array of speakers will lend depth and sophistication to contemporary debates by asking **how Canadians have discussed tax fairness in the past and how we might better do so in the future.**

For more **details on our conference programme** and confirmed speakers, please click [here](#).

We look forward to seeing you!

Sincerely,
The MISC Team
