

Reminder: Sugaring Off begins this Sunday!

A reminder that our two public sugaring off events are taking place this Sunday, the 24th and the following Sunday, the 31st. Wagon rides, the outdoor lunch and tours of our traditional Sugar Shack will run throughout the afternoon, from noon until 4 pm. Our Communications Assistant, Hannah Legault, will be on site to document the event and track its online success.

Make sure to Check-In and post your photos on Facebook and Instagram, we'd love to see them!

Sugaring Off Tours for Private Groups

Did you know that you can arrange group tours of the Arboretum's sugaring off facilities?

Schools, daycares, families, any group of 15 or more can reserve a private tour to learn about the history of the maple syrup process, visit our sugar shack, and find out how maple syrup is made in the traditional way at the Arboretum. Tours can be customized for all age groups.

Contact Mary Ann for more details, or to book your own sugaring off tour: 514-398-7811

Sugaring off season is brief, don't miss your chance to enjoy it!

Arboretum Gardeners

For the past two years, volunteers from The Friends of the Morgan Arboretum have been working near the Sugar Shack to create the new (Canada 150) trail and to install "The Copse" - a collection of native fruit bearing trees and shrubs to feed wildlife in the years and decades ahead.

Please join "The Gardeners" this spring, summer and fall! We are a very friendly bunch who just enjoy being useful in the open air. Tasks to be enjoyed are such things as weeding the copse, keeping the wood-chip pathways free of invading plants, trimming back overgrown sightlines and adding new plants for pollinators.

There will be work parties for the mornings of April 17, May 22, June 19, July 17, August 21, September 18, October 16 (all Wednesdays). Additional parties will be out on the following Sundays if there are tasks to be done that cannot wait or for people who want to help but can only be with us at weekends: June 2, July 7, August 4, September 1, October 6. You don't have to commit to all the dates - just come when you can.
