## Moonlight Ski & Snowshoe Review

It was a magical night on Saturday for our 2019 moonlit ski and snowshoe event! The weather was perfect: a clear sky, no wind, and a crisp - but not too brisk! - temperature.

Thank you to our amazing ski patrol volunteers for their guidance on the trails. Members of the Royal Astronomical Society of Canada were also on site with their telescopes to share their knowledge of the moon. The event concluded with much appreciated sweets!

## Bird Walk with BPQ on Saturday!

**Saturday February 23, 2019, 8 am - 12 pm**

Shake off your winter blues and come discover the birds that overwinter at the Arboretum. Biologist Richard Gregson will be leading a group through the snowshoe trail, finding and identifying our winter birds.

## Respect

The Arboretum is a great place to observe many species, and in winter it is a little easier to look for tracks and other signs of the presence of wild animals. Meanwhile, on our walks, we are noticing a lot of “forgotten” poop piles from domestic dogs in the busier areas. This is very disrespectful of other users and of our ecosystems!

Keep an eye on your dog at all times, pick up all poop piles and dispose of them in a proper container. Stop ignoring what you leave behind whether it’s right on the trail or off-trail. The sum of each oversight soon becomes unbearable. Think about it and be vigilant!

## Call to Action! Morgan Arboretum Online

The Morgan Arboretum’s social media is getting a boost! Hannah Legault is our new communications intern and part of her mandate is to improve our online outreach, increasing interactions with web explorers both online and in person. Watch for regular updates to our Twitter, Facebook, and Instagram accounts. Suggestions are always welcome and appreciated. We invite you to follow us through the following links:

We are looking for content for our social media: photos and videos that will be shared on our accounts. We always credit our photographers, and will tag your account if you wish.

For photographers who have already submitted content to our bank of photos (calendar submissions etc.), please let us know if you will allow the publication of your photos on our social media, and how you would like to be credited. We thank everyone for their participation and assistance in helping us to promote our mission.
