

Arboretum ^{Morgan}

What's in this Pond?

Sunday, June 17, 10 am – 12 pm

Join Sarah Dixon on a tour of the pond as a habitat for aquatic creatures. Using a net, we'll scoop, search, and look through the muck to find insect larva, tadpoles, and maybe even a newt!

Pre-register 514-398-7811 | [More info](#)

Saturn at Opposition

Saturday, June 23, 7:30 – 11 pm

Event organized by the Royal Astronomical Society of Canada –Montreal Centre
