

Power of the World's Religions 2021: MORSL Cohort Reflection Piece

At the end of the Parliament, each student in the cohort is expected to produce a reflection piece, on the insights and lessons from their participation at the convention. The piece will provide an opportunity for the student to share their knowledge and experience from the parliament with the wider community either at a conference later hosted by MORSL, or in MORSL's fall edition of the *radix* magazine. This piece is due on **November 30th 2021 at 5 PM (EST)**. Upon the submission of the reflection piece to MORSL, the student will receive the registration reimbursement fee equivalent to \$10 USD, and the grocery shopping gift card of \$100 CAD. In addition, the student will receive a recognition on the student's Co-curricular Record (CCR) through myInvolvement.

The reflection piece can be completed in a variety of ways:

1. Short essay between 500-1000 words.
2. Poem, including a short reflection of 250-500 words on the meaning of the poem.
3. Piece of visual art (e.g. a picture, a drawing or a painting) with a short description of the piece between 150-300 words.
4. Poster or a video followed by a short description of 150-300 words.

These are a few suggestions, but of course, the student could produce a different multimedia piece as agreed upon with MORSL.
