

## Job Posting/Research Assistant

**Position Title:** Research Assistant

**Hiring Unit:** Douglas Hospital Research Center

**Supervisor:** Myra Piat, PhD

**Work Location:** Remote Work - Administrative location - Douglas Mental Health University Institute – Research Center, 91 Hickson, Verdun, QC.

**Work Schedule:** 14-20 hours per week (Monday – Friday)

**Hourly wage:** In conformity with Douglas Institute Research Center standards, the hourly wage will commensurate with experience and education.

**Planned Start Date:** Immediately

**Deadline to apply:** September 3rd 2021

**Project Overview:** A 2-year qualitative exploratory study research project funded by CHIR with the aim to understand the “lived experience” of facilitation in implementing Canada’s mental health recovery guidelines. An output of this research will be the production of a Guide for Facilitators. The project’s Principal Investigator is Prof. Myra Piat (<http://douglas.research.mcgill.ca/myra-piat>).

**Job Description:** The selected candidate will participate as a member of Dr.Piat’s research team. S/he will be conducting qualitative interviews (individual and group) with study participants from multiple stakeholder groups (e.g. service users, service providers, managers); data analysis; data synthesis. S/he will assist in administrative aspects of the research; knowledge translation activities and preparation of reports and articles. This is remote work. The candidate should be flexible in terms of time schedule as study participants and research members are located in various time zones in Canada.

### **Job Requirements:**

- Master degree or PhD student in health/ social sciences (psychiatry, social work, nursing, occupational therapy, psychology, public health, sociology).
- Ability to speak, read, and write in English and French
- Research experience, preferably in mental health
- In-depth knowledge of qualitative research methods
- Knowledge of mental health recovery is an asset

- Comfortable using software – EndNote, Office (e.g. Word, Excel, Power Point), NVIVO and online videoconferencing platforms
- Excellent written and communication skills
- Motivated and able to work independently, and in a team in a deadline-oriented environment.

### **How to apply**

Applicants are invited to email their cover letter outlining their interest and resumé as a single (Word or PDF) attachment to: Dr. Myra Piat [myra.piat@douglas.mcgill.ca](mailto:myra.piat@douglas.mcgill.ca)

### **Note**

We thank all applicants. Only selected candidates will be contacted.
