

### APPROVED LIST OF EXAMINERS FOR GRADUATE PERFORMANCE EXAMINATIONS

The examining panel for all master's and diploma graduate recitals consists of three members, one of whom is the student's teacher, except in the event that the student has two teachers: in this instance, the panel will consist of four members (teachers will submit one combined grade). One more panel member is selected from the list of examiners for the student's area (i.e., horn from the horn list, voice from the voice list, etc.). The third panel member is external to the area, except for the Jazz Area. In some areas, panels have additional constraints:

<b>Collaborative Piano examination and Chamber Music Recital involving a pianist</b>	The panel must typically include the Collaborative Piano Coordinator (or delegate) unless he is the teacher or there are other circumstances to be considered.
<b>Master's Conducting examination</b>	The panel for the rehearsal and the performance must include one examiner from those listed for <b>Internal, by area</b> and one examiner from those listed for <b>External to area, from faculty</b> (wind instruments for wind band conducting or orchestral instruments for orchestral conducting).
<b>D.Mus. Recitals</b>	For the D.Mus. recitals, the panel will consist of an external member and the D.Mus. committee consisting of the Committee Chair (AD or representative), teacher, area coordinator or representative, and the Music Research committee member, for a total of 5 panel members.
<b>Interdisciplinary Projects Involving a Research Study</b>	When the project is a research study, the final grade will be assigned in the same manner as a special project, fifty percent by the performance teacher, fifty percent by the research supervisor.
<b>Opera Roles</b>	The panel must include the Director of Opera Studies (or delegate) and one member from the <b>Internal, by area</b> list.
<b>Orchestral Repertoire examination</b>	One of the three panel members must be the Area Coordinator (or delegate).
<b>Quick Study examination</b>	For the Vocal/Opera Quick Study the panel must include the candidate's Voice Teacher, the Vocal Repertoire Coach, and one other representative from the Vocal Area chosen by the Department.  For the Collaborative Piano Quick Study the panel must include the candidate's piano teacher, the Collaborative Piano Coordinator or delegate, and another member from the <b>Internal, by area</b> list for voice, string, wind, brass, or percussion as appropriate to the students' specific repertoire.

If the student has a particular reason why he/she does not want a particular examiner on the panel, this should be made known to the Graduate Studies Office, by email at [graduatestudies.music@mcgill.ca](mailto:graduatestudies.music@mcgill.ca), at the same time as submitting the Performance Application Form. Should any of members of the examination panel wish to have music for the examination; the student will be asked to provide the necessary copies.
