

# Fourth National Neuromuscular Review Course

October 22-23, 2021

Montreal Neurological Institute-Hospital (The Neuro)  
De Grandpre Communications Centre

(Live on Zoom for remote attendees)

## Friday, October 22

---

**12:00** Lunch and Registration

**13:15** **Opening Remarks – Honorary Speaker Introduction**  
Nicolas Dupré, MD, MSc, FRCP, FAAN  
Université Laval

### **Session 1: Myopathies**

---

**13:30** **Inherited myopathies**  
Bernard Brais, MD, PhD  
McGill University

**14:20** **Acquired myopathies**  
Erin O’Ferrall, MD  
McGill University

**15:10** **Q & A**

**15:20** Refreshment Pause

### **Session 2: Motor neuron diseases**

---

**15:30** **ALS clinical presentation, diagnostic criteria and differential diagnosis**  
Nicolas Dupré, MD, MSc, FRCP, FAAN  
Université Laval

**16:20** **Denis Brunet Lecture: Anterior horn and lower motor neuron disorders**  
Stephen J. Kolb, MD, PhD  
Ohio State University  
**Chair** - Denis Brunet, MD, FRCPC  
Université Laval

**17:10** **Q & A**

**17:20** **Cocktail (onsite)**

Saturday, October 23

---

**8:15**      **Opening remarks**  
Angela Genge, MD, FRCP(C)  
McGill University

**Session 3: Neuropathies**

---

**8:30**      **AIDP, CIDP and their variants**  
Annie Dionne, MD, FRCPC  
Université Laval

**9:20**      **Mononeuropathies vs radiculopathies**  
Oliver Blanchard, MDCM, FRCPC  
McGill University

**10:10**     **Multiple mononeuropathies**  
Rami Massie, MD  
McGill University

**11:00**     **Q & A**

**11:20**     Refreshment Pause

---

**Session 4: Neuromuscular junction disorders**

---

**11:30**     **Myasthenia gravis and other neuromuscular junction disorders**  
Karine Garneau  
Université de Montréal

**12:30**     Lunch

---

**Session 5: Pediatrics**

---

**13:30**     **Common pediatric neuromuscular disorders (Part 1)**  
Nicolas Chrestian, MD, FRCPC  
Université Laval

**14:20**     **Common pediatric neuromuscular disorders (Part 2)**  
Hugh McMillan, MD, MSc, FRCPC, FAAN  
University of Ottawa

**15:10**     **Q & A**

**15:20**     **Refreshment Pause**

---

**15:30**     **Workshops (40 minutes each): EMG cases or others**  
Annie Dionne, Oliver Blanchard, Nicolas Chrestian

**17:20**     Closing Comments

**17:30**     **Cocktail & Networking (onsite)**
