Molecular and Systems Neuroscience of Cognition Symposium
April 30 – May 1, 2020
The Neuro, 3801 University Street (Jeanne Timmins Amphitheatre)

April 30
8:00 Registration

8:30 Opening remarks
Paul Frankland, SickKids; Mauro Costa-Mattioli, Baylor College of Medicine

Session 1: Molecules and Memory I
Chair: Shernaz Bamji (University of British Columbia, Canada)
8:40 Bong-Kiun Kaang (Seoul National University, South Korea)
9:00 David Glanzman (University of California, Los Angeles, USA)
9:20 Cristina Alberini (New York University, USA)
9:40 Wayne Sossin (McGill University, Canada)
10:00 Refreshment pause

Session 2: Molecules and Memory II
Chair: Bong-Kiun Kaang (Seoul National University, South Korea)
10:30 Cathy Rankin (University of British Columbia, Canada)
10:50 Todd Sacktor (SUNY Downstate, USA)
11:10 Karl Peter Giese (King’s College London, United Kingdom)
11:30 Nahum Sonenberg (McGill University, Canada)
11:50 Natalie Tronson (University of Michigan, USA)
12:10 Shernaz Bamji (University of British Columbia, Canada)
12:30 Lunch

Session 3: Memory in the healthy and diseased brain
Chair: Min Zhuo (University of Toronto, Canada)
1:30 Morris Moscovitch (University of Toronto, Canada)
1:50 Melanie Sekeres (Baylor University, USA)
2:10 Jeff Mogil (McGill University, Canada)
2:30 Marco Leyton (McGill University, Canada)
2:50 Enrique Lanuza (University of Valencia, Spain)
3:10 Refreshment pause

Session 4: From consolidation to reconsolidation I
Chair: Cathy Rankin (University of British Columbia, Canada)
3:30 Merel Kindt (University of Amsterdam, Netherlands)
3:50 Andy Baker (McGill University, Canada)
4:10 Brian Wittgen (University of California, Davis, USA)
4:30 Amy Milton (University of Cambridge, United Kingdom)
4:50 Lucas de Oliveira Alvares (Federal University Rio Grande do Sul, Brazil)
5:10 Martin Cammarota (Federal University Rio Grande do Norte, Brazil)
5:30 - 7:00 Poster Session – Wine & Cheese
May 1, 2020

Session 5: Reconsolidation
Chair: Amy Milton (University of Cambridge, United Kingdom)
8:40  Joe LeDoux (New York University, USA)
9:00  Josue Haubrich (McGill University, Canada)
9:20  Szu-Han Wang (University of Edinburgh, Scotland)
9:40  Daniela Schiller (Mount Sinai, USA)
10:00 Satoshi Kida (University of Tokyo, Japan)

10:20 Refreshment pause

Session 6: Rewarding memories
Chair: Jeff Mogil (McGill University, Canada)
10:50  Jane Stewart (Concordia University, Canada)
10:55  Bernard Balleine (UNSW Sydney, Australia)
11:15  Jonathan Britt (McGill University, Canada)
11:35  Derek van der Kooy (University of Toronto, Canada)
11:55  Rui Costa (Columbia University, USA)

12:15 Lunch

Session 7: Neural circuits and behaviour
Chair: Cristina Alberini (New York University, USA)
1:30  Scott Waddell (Oxford University, United Kingdom)
1:50  Catia Teixeira (New York University, USA)
2:10  Sophie Tronel (Université Bordeaux, France)
2:30  Johannes Felsenberg (Friedrich Miescher Institute, Switzerland)
2:50  Mike Salter (SickKids, Canada)

3:10 Refreshment pause

Session 8: Talks from abstracts
3:30  Talk from abstract I
3:40  Talk from abstract II
3:50  Talk from abstract III

Session 8: Keynotes
Chair: Wayne Sossin (McGill University, Canada)
4:00  Sheena Josselyn (SickKids, Canada)
4:30  Yadin Dudai (Weizman Institute, Israel)

5:00 Reception (Thompson House, 3650 McTavish Street, Montreal)
