Rotation 2: Tuesdays (1.25 days/week for 13 weeks: clinical shifts plus *additional role tasks)

Rotation 3: Thursdays (1.25 days/week for 13 weeks: clinical shifts plus *additional role tasks)

*Applications open for Rotation 1 (Monday) **&/or** Rotation 2 (Tuesday) **&/or** Rotation 3 (Wednesday).

Please specify your choice(s).

Hours Paid: 112 hours for single rotation (97.5 hours allocated to direct supervision of 11 'in hospital' clinical days; remainder for *additional pre/post clinical role expectations – see below).

Hourly rate: Commensurate with experience

Date posted (DD/MM/YYYY): 20/12/2018

Applications for this course will be accepted until (DD/MM/YYYY): 03/01/2019

Role Expectations:

- Completes clinical placement site 'on-boarding' requirements in advance of first clinical shift. Prepares students for orientation at the clinical site.
- Participates in relevant lectures and labs/SIM as needed during clinical days (at ISON).
- Teaches and directly supervises a group of 6-8 students in fulfilling the course objectives, including client selection and facilitating experiences with ante/intra/postpartum families.
- Applies Strengths-Based Nursing approaches to support student learning. Monitors and documents students' progress through the course.
- Organizes and leads group clinical debriefing sessions during clinical shift.
- Provides verbal & written Midterm Clinical Performance Assessment feedback (formative) and Final Clinical Performance Assessment decision (summative) to students.
- Meets with course coordinator(s) to prepare for the course, participate in training/orientation as needed, review course objectives; communicates with the course coordinator about any concerns related to student learning.
- Works with the clinical unit leadership to promote the best student learning experience possible.
- Accesses MyCourses regularly and communicates with students by email as necessary.
- Formative and/or summative evaluation of student written work as required.

Qualifications/ Requirements:

- Baccalaureate degree in Nursing; Master's degree an asset
- Previous teaching (including preceptorship) experience an asset
- Active registration with OIIQ
- Experience in maternal child nursing.
- Keen sense of inquiry and ability to critically reflect on your practice.
- Knowledge of Strengths-based Nursing (Gottlieb, 2013)
- Willingness and ability to facilitate student learning.

- Valid CPR certification
- Up to date immunization status
- Valid Mask-fitting card
- Hand-Hygiene training module
