

EXECUTIVE EDUCATION FOR NURSES

NEW LEADERSHIP COURSE FOR A NEW ERA IN HEALTH CARE - SEPTEMBER 11-29, 2023

As the post-pandemic resignation continues to destabilize our healthcare network, it is abundantly clear that change is needed. **Revitalizing healthcare requires the integration of nurses into the highest levels of decision-making in healthcare organizations.** This 3-module online course, developed and led by **Lynne McVey, RN, MSc, FHCMgt**, will get you started on your journey to a seat at these important tables.

Course Content

- Two asynchronous learning modules, beginning **September 11**, with **optional live sessions September 15 and 22, 13:00-14:30**
- One live session moderated by Lynne McVey, **September 29, 13:00-15:00**
- Readings and assignments are geared toward career planning; individualized feedback is provided.
- All course content is bilingual. Learners can participate in either language.

Who should attend?

Experienced directors, managers, nurse practitioners, and other nurses who aspire to decision-making positions in healthcare. Master's students in the Health Services Administration stream are also welcomed.
