Position Title: Postdoctoral Researcher

Hiring Unit: Department of Oncology, Faculty of Medicine

Name of Immediate Supervisor: Dr. Carmen G. Loiselle

Location of Work: McGill University
680 Sherbrooke Ouest, Rm 1816
Montréal, Qc

Work Schedule: 35 hours/week

Planned Start Date & End Date: January 20, 2020 – January 19, 2021
(possibility of renewal)

Salary Range: $34,611 + benefits

Posting Period: November 18, 2019 – January 16, 2020

PRIMAR DUTIES

We are seeking a highly motivated postdoctoral fellow who is interested in psychosocial oncology research to work under the supervision of Dr. Carmen G. Loiselle. The postdoctoral fellow will be primarily responsible for data analysis, write-up of scientific papers, oversight of LoiselleLab psychosocial oncology studies, supervision of junior lab members, and other related research tasks.

Dr. Loiselle’s lab focuses on the development and testing of psychosocial oncology interventions (including e-health) to support individuals throughout their cancer trajectory. For information on current LoiselleLab projects: www.loisellelab.ca

QUALIFICATIONS

- A Ph.D. in psychology, nursing, or another health-related field that included advanced research methods and statistical analysis training
- Strong English writing skills as demonstrated by publication record
- Excellent project management skills and the ability to multi-task
- Demonstrated proficiency conducting data analysis using SPSS, SAS, or R
- Strong interpersonal and communication skills
- Ability to work with a high degree of autonomy and initiative, including adherence to timelines and deadlines
- Programming skills and experience with electronic data capture systems (e.g., Qualtrics, REDCap) would be assets

HOW TO APPLY

Interested candidates should submit a cover letter, curriculum vitae, two recent publications, and the contact information of two academic references to:

Dr. Carmen G. Loiselle: carmen.g.loiselle@mcgill.ca
Cc: Jacqueline Vachon, M.Sc.: jacqueline.vachon@mcgill.ca

McGill University is committed to equity in employment and diversity. It welcomes applications from indigenous peoples, visible minorities, ethnic minorities, persons with disabilities, women, persons of minority sexual orientations and gender identities, and others who may contribute to further diversification.
