**JOB DESCRIPTION & OTHER INFORMATION**

Teaches and directly supervises a group of 6 – 7 students in meeting the course objectives.

**Role expectations and tasks**

1. Attends Orientation to course (may be remote) prior to start of clinical rotation. Date to be determined.
2. Responsible for selection/assignment of patient/s.
3. Supports student learning by assessing the student’s learning style and providing the appropriate teaching strategy.
4. Organizes and leads group clinical conferences (may be remote).
5. Evaluation of formative and/or summative student assignments as required.
6. Provides formative and summative evaluation of students’ clinical performance, including documenting the students’ progress throughout the course.
7. Communicates with the course coordinator any concerns related to student learning.
8. Works with the clinical unit leadership to promote the best student learning experience possible.
9. Accesses MyCourses regularly and communicates with students by email as necessary.
10. Participates in end of course debrief.

**IMPORTANT INFORMATION REGARDING POSTINGS AND APPLICANTS:**

All positions will be posted through the Workday platform.

Current McGill employees must apply via internal postings. These are accessed using the ‘Find Jobs’ report in Workday.

Applicants who are not current McGill employees must apply via external postings. The website will direct you to create a Workday account. *(This applies for employees who may have had contracts in the past, but do not currently hold an active contract. They cannot apply internally.)*

Please note, applicants must **use a personal email address when creating this account**. Do not use @mail.mcgill.ca or @mcgill.ca email addresses.

Applicants **must use their legal names** when creating their Workday accounts.
