## JOB DESCRIPTION & OTHER INFORMATION

### Role Expectations:

- Orients supervisors (NPs and MDs) to the course by reviewing learning objectives, course assessment tools, and relevant university policies and procedures;
- Supports supervisors and students in the clinical setting through regular visits as well as by email, myCourses, and/or by telephone as required;
- Provides ongoing support to supervisors in relation to teaching/learning principles, enhancing clarification of course objectives and student assessment;
- Works with the unit/clinic leadership to promote the best student learning experience possible;
- Promotes and facilitates the development of competencies in students through learning activities such as case presentations, journal article reviews, etc.;
- Participates in relevant simulation activities, procedure skills-building laboratories and formative/summative OSCEs as requested by the Course Coordinator;
- Provides support to course coordinator in reviewing pertinent internship documents (e.g. student orientation guide or clinical supervisor orientation package, etc.);
- Answers student and supervisor questions in a timely manner;
- Promptly communicates any concerns related to student learning to the course coordinator and/or Program Director as appropriate;
- Works with the course coordinator to develop and implement a learning plan for students experiencing difficulties in the clinical setting;
- Supports supervisors in completing clinical assessments and reviews/discusses with course coordinator as needed;
- Participates in student and supervisor 'orientation day';
- Attends meetings with course coordinator and/or program director as required.

## IMPORTANT INFORMATION REGARDING POSTINGS AND APPLICANTS:

All positions will be posted through the Workday platform.

Current McGill employees must apply via internal postings. These are accessed using the 'Find Jobs' report in Workday.

## COURSE POSTING: CLINICAL INSTRUCTOR

Applicants who are not current McGill employees must apply via external postings. The website will direct you to create a Workday account. *(This applies for employees who may have had contracts in the past, but do not currently hold an active contract. They cannot apply internally.)*

Please note, applicants must **use a personal email address when creating this account**. Do not use @mail.mcgill.ca or @mcgill.ca email addresses.

Applicants **must use their legal names** when creating their Workday accounts.
