COURSE POSTING: COURSE LECTURER/INSTRUCTOR

JOB DESCRIPTION & OTHER INFORMATION

Role Expectations:

Co-coordinate the Pediatric Nurse Practitioner Reasoning 4 course.

In collaboration with the course co-Coordinator:

- Prepare course materials and organise the student learning platform (myCourses)
- Facilitate a minimum number of weekly classes pertaining to topics covered in the course
- Recruit and supervise invited experts to facilitate certain classes
- Participate in regular meetings with the course co-instructor to discuss issues arising related to class content and course objectives and to revise course plan as needed
- Hold regular virtual 'office hours' for students
- Participate in student assessments as per the course outline (develop assignments and tests; grade and provide student feedback)
- Maintain the myCourses learning platform (post readings, enter grades, monitor discussion boards, answer questions, etc.)
- Communicate with students via myCourses or email as required
- Enter final grades in McGill University's Minerva platform

IMPORTANT INFORMATION REGARDING POSTINGS AND APPLICANTS:

All positions will be posted through the Workday platform.

Current McGill employees must apply via internal postings. These are accessed using the 'Find Jobs' report in Workday.

Applicants who are not current McGill employees must apply via external postings. The website will direct you to create a Workday account. *(This applies for employees who may have had contracts in the past, but do not currently hold an active contract. They cannot apply internally.)*

Please note, applicants must **use a personal email address when creating this account**. Do not use @mail.mcgill.ca or @mcgill.ca email addresses.

Applicants **must use their legal names** when creating their Workday accounts.
